Govt. Notice No. 1076

ORGANISATION FOR PLANNING

COMPOSITION AND TERMS OF REFERENCE OF PLANNING BODIES

In accordance with Government's policy of directing economic development of the country through development plans, a Central Planning Unit has been established, with assistance from UNDP, in the Ministry of Development. The Unit is engaged at present in making sectoral and macro-economic studies preparatory to formulation of a comprehensive medium-term plan. It will also be assisting the Ministry of Development in the preparation of the annual Development Budget and the Sectoral Ministries in preparation of development projects and in instituting appropriate procedures for appraisal of progress on them. Planning and Project Formulation Units have already been created in two Ministries and are proposed to be established in all the important sectoral Ministries.

In order to provide overall direction on the goals, objectives priorities and strategies of the national development plans, as well as to formulate policies and programmes for effective plan implementation, Government have decided to set up a National Planning Council. The Council will be headed by His Excellency the President and will have the following as its Members:—

The Vice-President and Prime Minister
The Minister of Finance
The Minister of Development
The Minister of Agriculture and Natural Resources
The Minister of Trade and Industry
The Minister of Education
The Minister of Health
The Minister of Works
The Minister of Lands and Mines
Governor, Bank of Sierra Leone

The Council will have the following terms of reference:—

- (i) to indicate the basic goals and objectives of planning;
- (ii) to decide for each plan, the macro-economic variables, such as the rate of economic growth and the magnitudes of investment, domestic savings and foreign aid, as well as the resource allocations among programmes and projects and the physical accomplishment targets;
- (iii) to provide all other guidelines on economic and social policies and on programmes and projects, which are needed by the planners for plan formulation;
- (iv) to approve the plans before they are presented to the Parliament and the public;
- (v) to decide on monetary, fiscal, foreign trade and other economic policies needed for mobilization of resources for effective implementation of the plans or for direction of the economy in keeping with plan objectives;
- (vi) to review progress of the plans from time to time and decide on changes in them, based on the reviews or changes in the domestic or international situation.

The Council shall be assisted by an Inter-Ministerial Committee of Permanent Secretaries, headed by the Permanent Secretary, Ministry of Development. The principal functions of the Committee will be:—

- (i) to examine with a view to advising the National Planning Council, all papers relating to formulation and implementation of the national development plan;
- (ii) to decide on proposals relating to less important policies, programmes and projects, in case of which reference to the National Planning Council is not necessary, but interministerial action is involved;
- (iii) to serve as the principal executive organ for inter-ministerial co-ordination in formulation and implementation of development programmes.

Sub-Committees and Inter-Ministerial or Technical Working Groups will be set up from time to time as considered necessary by Government.

In order to associate non-official interests, such as business industry and labour, as well as distinguished scholars, scientists and social workers with the planning process, an Advisory Planning Body is proposed to be constituted.

Creation of appropriate planning organisations at regional and local levels is also under the consideration of the Government. Notifications on these subjects will be issued separately.

The Ministry of Development shall serve as the Secretariat of the National Planning Council; the Inter-Ministerial Committee of Permanent Secretaries; the Advisory Planning Board and the various Working Groups and Sub-Committees.
