NOTICE

Notice is hereby given that I, Maria D. Mveli of Hhohho Region intend to apply to the Honourable Minister of Justice of the Kingdom of Swaziland for authorisation to assume the surname Khumalo after the fourth publication of this Notice in each of four consecutive weeks in the Times of Swaziland and Swazi Observer newspapers, being two newspapers circulating in the region where I reside and designated for this purpose by the Regional Secretary for the Hhohho Region and in the Government Gazette. The reason I want to assume the surname Khumalo is because its my real Surname, the one I was using Mveli, is my uncle's Surname because I stayed with him to do my education.

Any person or persons likely to object to my assuming the surname Khumalo should lodge their objections in writing with me at the address given below and with the Regional Secretary for Hhohho Region.

P.O. Box 385,
Mbabane,
Swaziland

Regional Secretary
HHOHHO

X826 4x7.11.86

NOTICE

THE CHANGE OF SURNAME

Notice is hereby given that I Michael Mduduzi Khumalo of P.O. Box 1286, Mbabane of Chief Madzanga Ndwandwe, Nduna Khehla Myaba in the Hhohho Region intend to apply to the Minister presently responsible for the change of Surname Act No. 67 of 1962 for authorization to assume the Surname of Mkhumbane after the fourth publication of this notice both in the "Times of Swaziland" and in the Swaziland Gazette for the reason that the surname Khumalo belongs to my step Father who brought me up, and the surname "Mkhumbane" belongs to my natural father.

Any person likely to be affected by my assuming the surname Mkhumbane, should lodge objections in writing with the undersigned and Regional Secretary Hhohho Region Michael Mduduzi Khumalo, P.O. Box 1286 Mbabane.

"Insole moulder/stamper" means an employee who moulds or stamps insoles by means of a machine;

"Inspector" means an employee with not less than six months experience as an assembler who inspects the worker on a production line;

"Invoice Clerk" means an employee who prepares invoices to customers for goods supplied;

"Jumper" means an employee who has knowledge of several jobs and who is able to relieve any other worker on a production line;

"Kardex clerk/storeman" means an employee who operates a kardex system of stock control;

"Kiln operator" means an employee who is capable of operating and maintaining a kiln;

"Laboratory assistant" means an employee who generally carries out unskilled work in a laboratory or who assists a laboratory technician;

"Laboratory technician" means an employee qualified to carry out all duties allocated to him in a laboratory;

"Lacer" means an employee who inserts and ties laces for footwear;

"Last prepare" means an employee who prepares and loads the lasts onto the conveyor according to the uppers loaded.;

"Last Transporter" means an employee who returns the lasts to the last bins after de-lasting;

"Layer" means an employee who lays the material for cutting a garment manufacture;

"Learner finisher" means an employee who is learning on the job to become a finisher and who has not completed six months in the case of the weaving industry or three months for other industries;

"Learner craftsperson" means an employee who is learning on the jobs to become a potter, screenprinter, silversmith or any other craftwork for a period not less than three or more than six months;

"Learner machine operator" means an employee with three months or less continuous experience of operating a machine for other industries or not more than six months in the weaving industry;

"Learner spinner" means an employee who is learning on the job to become a weaver and who has not completed six months in the case of the weaving industry or three months for other industries;

"Leather baler" means an employee who bales leather for storage purposes;

"Leather sorter" means an employee who sorts leather by means of the point system;

"Line feeder" means an employee mainly engaged in feeding the assembly line with components;

"Loader/packer" means an employee who packs bread or confectionery, or who loads/off loads bread and confectionery on to or off a vehicle or who packs finished products into cartons, including the transfer of goods or materials from large to smaller contains;

"Lubricator" means an employee who has the responsibility of lubricating and greasing machines;

"Machinist" means an employee who operates an electrical sewing machine to manufacture clothing/garment;

"Machine attendant" means an employee, other than a learner machine operator, who attends and operates a guillotine machine, bending machine, spot welding machine or any other machine requiring similar skills;

"Machine operator" means an employee, other than a learner machine operator, engaged in operating a machine;

"Master screenprinter" means an employee who is capable of cutting screen mixing pigments and has thorough knowledge of screenprinting techniques;

"Master potter" means an employee who is skilled in making pots to any specification, who has a general knowledge of glazing and firing techniques;

"Master silversmith" means an employee who is capable of working silver to any specification;

"Mechanical assembler" means an employee mainly engaged in the mechanical assembly of television and radio accessories and placement of products in the appropriate area for assembly or despatcher;

"Melter" means an employee who melts glasses in a glass factory;

"Messenger" means an employee engaged in carrying messages, collecting and delivering mail or carrying out simple task in an office;

"Mono caster attendant" means an employee who attends a monotype caster under the supervision of a key board operator;

"Office clerk" means an employee who does general clerical duties;

"Painter" means an employee who cleans and paints equipment, machines and buildings;

"Packer" means an employee who pack the garment which are finished into the cartons;

"Personnel clerk" means an employee who controls and updates personnel records;

"PC Board trimmer" means an employee mainly engaged in trimming excess component leads on soldered boards;

"Picture tube assembler" means an employee mainly engaged in preparing picture tubes for the assembly line;

"Plant assistant" means an employee who assists a plant attendant;

"Plant attendant" means an employee mainly engaged in operating a galvanizing plant and, if necessary, taking charge of the plant;

"Potter" means an employee who makes pots by hand or on pot wheels;

"Presser attendant" means an employee who operates a pressing machine in a cotton ginnery;

"Presser garment" means an employee who uses a sad iron or pressing machine to iron materials or clothing;

"Proof reader" means an employee who reads and check printers proof for errors and marks them for correction;

"Quality controller" means an employee mainly engaged in checking the quality and making reports on finished products;

"Quality section controller" means an employee who checks and controls the quality of goods leaving their section;

"Rebate clerk" means an employee who controls the stocks and documentation for a rebate store;

"Receiver-second stock" means an employee who checks, receives and controls the stock of factory seconds;

"Repairer's assistant" means an employee with a basic knowledge of electronics mainly engaged in making simple repairs on PC boards;

"Recutter" means an employee who arranges recuts and repairs poor quality work;

"Rivetter/Buckler" means an employee who attaches rivets or bucklers;

"Rougher-uppers" means an employee who reduces the bumps on the lasting margin by means of a roughing machine;

"Rougher-sole margin" means an employee who roughs the sole margin on rubber soles;

"Runner" means an employee who performs unskilled duties such as conveying, from one point to the other, materials used in garment manufacture;

"Saw sharpner" means an employee who sharpens saws and carries out simple maintenance work on them;

"Salesman" means an employee engaged in promoting the sales of an employer's products;

"Stacker" means an employee who packs erected boxes into cartons and stacks ready for transportation to the factory;

"Seasonal labourer" means an employee engaged for the duration of a season to carry out unskilled work, canning fruit and vegetables;

"Security guard or Watchman" means an employee mainly engaged in the protection and security of his employer's premises;

"Senior Watchman" means an employee who is in charge of other watchman;

"Sewing machinist I" means an employee who has more than six months experience and turns stitches collars, stitches toecaps, facing, O/S counters, D. rings and attaches binding;

"Sewing machinist II" means an employee who has more than six months experience and stitches backseams, side flashes, collars, tongues, velcro, brand tags and zig-zags pieces together;

"Sewing mechanic" means an employee who has been trained to repair sewing machines;

"Screenprinter" means an employee who screenprints by hand pulling a squeegee;

"Semi-skilled kiln hand" means an employee who has limited knowledge in operating kiln and packs it according to specification;

"Silver-smith" means an employee who is capable of working silver by hand;

"Side-laster" means an employee who lasts the waist section of a shoe by means of a shoe;

"Size painter" means an employee who colour codes components according to size by means of a brush;

"Skiver-uppers/toepuffs" means an employee who skives or reduces the thickness of the edge of components by means of a skiving machine;

"Slaughterman" means an employee engaged in stunning, bleeding, skinning, eviscerating and splitting livestock;

"Spinner" means an employee who carries out spinning operation of wool or other materials according to specification;

"Soaking attendant" means an employee who operates solder bath, prepares fluxes, and checks solder levels;

"Socker" means an employee who applies adhesive and inserts socks into finished footwear;

"Sole Chlorinator" means an employee who chlorinates or halogenates a sole prior to cement application;

"Sole presser" means an employee who by means of a press ensures that there is good bond between sole and upper;

"Sole spotter" means an employee who places the precemented upper and sole accurately together prior to pressing;

"Sorter-R" means an employee who sorts goods into racks by item and size ready for despatch clerk;

"Sorter" means an employee who puts together according to sizes the material which is to be sewn;

"Shoe boxer" means an employee who packs finished footwear into boxes;

"Shoe repairer" means an employee who repairs subquality footwear;

"Shop assistant" means an employee who assists a shop supervisor, in the stock control, display and selling of products in a retail shop;

"Stonehand" means an employee with the knowledge of composition who places jobs set out by a compositor into steel frames locking and placing them into printing machines ready for printing;

"Stamper" means an employee who stamps logos/information onto components by means of a stamping machine;

"Staple extractor" means an employee who removes staples from the insole of a shoe;

"Sticker attacher" means an employee who attaches stickers to indicate size or customer codes;

"String lacer" means an employee who strings uppers ready for toelasting;

"Strips cutter" means an employee who cuts material into strips by means of a machine;

"Supervisor" means an employee who supervises other employees under his control;

"Switchboard operator" means an employee whose duties consist wholly or mainly in the operation of a telephone switchboard;

"Tablehand" means an employee who prepares materials and places them on the table for cutting or weaving according to specification;

"Tester" means an employee who tests the function of assembled PC Boards using electronic equipment;

"Textile preparer" means an employee who folds and prepares materials into a set number of layers ready for cutting;

"Trimmer" means an employee who uses the clippers to clean the garment when the sewing part is finished;

"Toecap positioner" means an employee who precement toecaps into position prior to toecap stitching;

"Toelaster" means an employee who pulls the toe of the shoe over the last by means of a toelasting machine;

"Toelaster feeder" means an employee who supplies the toelaster with uppers and on completion replaces them back onto the conveyor;

"Toepuff positioner" means an employee who positions and presses a toepuff onto the upper by means of a heated press;

"Tool setter" means an employee who fits and sets tools on a machine;

"Unlaster" means an employee who removes the last from a finished shoe;

"Upper brusher" means an employee who brushes finished footwear so as to clean and improve the look of the shoe;

"Upper cleaner" means an employee who cleans finished footwear by means of various cleaning materials;

"Upper primer" means an employee who primes the nylon upper at the lasting margin to ensure cement adhesion;

"Upper splitter" means an employee who splits uppers by means of a splitting machine;

"Upper spotter" means an employee who places the correct upper onto the last prior to toelasting;

"Upper/Bottom preparer" means an employee who loads the sewn uppers and corresponding bottom components onto the making conveyor;

"Utility" means an employee who has the knowledge of several jobs and who is able to relieve other workers on a production line;

"Weaver" means an employee who carries out duties either by operating a hand loom or other equipment to manufacture the required goods;

"Wage clerk" means an employee who prepares and controls wage payments according to the time worked;

"Washer" means an employee who washes and dries materials or wool and if necessary moth-proof the wool;

"Weights clerk" means an employee who weighs cartons of finished goods prior to despatch;

"Workshop assistant" means an employee who assists the fitter and handyman in general maintenance;

Basic minimum wage.

4. The basic minimum wage inclusive of rations or cash in lieu thereof to be paid to employee specified in the First Schedule shall be calculated at a rate not less favourable than that specified therein provided that—

- (a) An employee who, at the date of commencement of this Order, is in receipt of a higher wage than that prescribed by this Order, shall not suffer any reduction in such wage by reason of this Order;
- (b) Where no definition of an employee's duties exist, such employee shall be paid a basic minimum wage not less favourable than that applicable to a general labourer;
- (c) Nothing in this section shall prevent an employer, if he so wishes, from—

- (i) supplying cooked or uncooked food to an employee in addition to his basic wage;
- (ii) providing free transport or free accommodation to an employee.

Statement of conditions of employment.

5. (1) The employer shall provide an employee with a written statement at the commencement of his employment stating whether he is employed permanently or seasonally, the conditions of his employment, the starting wage, including the learning period.

(2) The learning period referred to in subsection (1) shall be—

- (a) six months in the case of the weaving industry; and
- (b) three months in the case of other industries.

Hours of work.

6. (1) For employees other than security guards and casual labourers the normal working week shall consist of not more than forty-eight hours of work.

(2) The normal working week for security guards shall consist of not more than six shifts each of twelve hours.

(3) The normal hours of work for casual labour shall consist of eight hours per day.

Overtime.

7. (1) An employee who is engaged otherwise than on shift work or as a security guard and is required to work in excess of the normal hours specified in section 6 shall be paid as follows—

- (a) for time worked in excess of the normal hours on a weekday, payment shall be at one and a half times his basic hourly wage.
- (b) for time worked on a Sunday or a public holiday specified in the Third Schedule, payment shall be at twice his hourly rate.

(2) An employee employed on shift work, or as a security guard who is required to work on his rest day or on a public holiday specified in the Second Schedule, may be paid for such overtime or alternatively, be given an equivalent amount of time off in lieu of overtime payment.

(3) The basic hourly wage of an employee on a weekly wage shall be calculated by dividing such wage by the number of hours he normally works in a week.

(4) The basic hourly wage of a casual labourer shall be calculated by dividing his daily wage by eight.

Public holiday.

8. The public holidays listed in the Second Schedule shall be holidays with full pay.

Annual leave.

9. An employee shall have fourteen calendar days leave with full pay after each period of twelve months continuous service with an employer:

Provided that in the case of a security guard annual leave shall be twenty-one calendar days with full pay after each period of twelve months continuous service with an employer.

Piece work.

10. An employee engaged on piece work shall be entitled to wages and conditions of employment not less favourable than those specified in this Order.

Reimbursement of expenses.

11. A salesman, driver or salesman's assistant shall be reimbursed all expense reasonably incurred on lodging and means for periods of absence from his place of residence on duty.

Lay-off.

12. (1) Due to circumstances beyond his control an employer may lay off employees for up to fourteen working days, without pay provided that at the end of this period he shall either re-employ the employees in their original jobs, or give them notice of termination of service in accordance with the provisions of the Employment Act, 1980.

(2) During the period of any lay-off, the employer shall not engage other employees to replace the employees he has laid off.

(3) The employer shall give—

- (a) a permanent employee fourteen days notice before the lay-off;
- (b) a seasonal twenty-four hours notice before the lay-off.

Trade testing.

13. (1) An employer shall grant unpaid leave to an employee who requests to undergo a trade test at the Swaziland College of Technology or any similar institution to enable him to take test.

(2) An employee undergoing a trade test shall furnish the employer with the results of his examination.

Revocation of Legal Notice No. 97 of 1985.

14. The Regulation of Wages (Manufacturing and Processing Industries) Order 1985 is hereby revoked.
