The Customs Management (Manufacturing In a Warehouse) Regulations, 2002.

Under sections 42 and 191 of the Customs Management Act Cap.27 of the Laws of the East African Community)

IN EXERCISE of the powers conferred upon the Minister by section 191 of the Customs Management Act, 1970, these regulations are made this 13th day of February, 2002.

PART I—PRELIMINARY

1. These Regulations may be cited as the Customs Management (Manufacturing In a Warehouse) Regulations, 2002. Citation.

2. In these Regulations, unless the context otherwise requires— Interpretation.

“Act” means the Customs Management Act, Cap 27 of the Laws of the East African Community;

“warehouse” means a factory as defined in section 5 of the Factories Act, Cap. 198 and a bonded warehouse as defined under the Act.

PART II—LICENCES.

3. (1) The Commissioner-General may, on application by a person who owns a warehouse, and subject to such conditions as the Commissioner-General may impose, issue a licence in Form C. 29 of the Schedule to these Regulations to the applicant to manufacture in a warehouse; and the Commissioner-General may refuse to issue a licence or, by notice in writing, suspend, revoke or refuse to renew a licence on grounds stated in the notice. Application for and issue of licence to manufacture in a warehouse.

(2) The warehouse shall be suitable to the satisfaction of the Commissioner-General for the manufacturing of goods in a warehouse in so far as the location, situation, construction and accommodation are concerned and a plan of the buildings, warehouse and thoroughfares shall accompany the application.

(3) An application for a licence under these Regulations shall be in Form C28 prescribed in the Schedule to these Regulations and shall be accompanied by a fee of one hundred thousand shillings or such other fee as may from time to time be prescribed, for each warehouse, regardless of the time of the year the licence is issued.

(4) A licence issued under these Regulations shall be subject to the payment of an annual fee of five hundred thousand shillings or such other fee as may from time to time be prescribed, and the licence shall expire on the thirty first day of December in each year.

(5) The Commissioner-General may require the person applying for a licence to furnish such security as the Commissioner-General may deem fit as a condition to the grant of the licence and the Commissioner-General may, at any time, require a licensee to furnish a new security in a different amount or on different terms.

(6) A licensee to whom a bonded warehouse licence is issued shall enter into a bond in Form CB3 and CB 6 to secure the duty on goods on removal or in the warehouse and compliance with all the provisions of the Act and Regulations relating to manufacturing of goods in a warehouse.

(7) The death of a licensee or any change in ownership of a warehouse shall be reported to the Commissioner-General by the licensee or if the licensee is dead, by his or her surety.

(8) A warehouse shall be distinguished by numbers and the words "customs bonded warehouse" and the number allocated to the warehouse shall be clearly marked on the principal entrance to the warehouse or elsewhere as the proper officer shall approve and shall be removed when a warehouse ceases to be licensed under these Regulations.

(9) A licensee of the bonded warehouse shall submit a return of the goods remaining in his or her bonded warehouse at the close of business on the thirtieth day of June in each year to the proper officer not later than the 31st July of the same year.

(10) No premises shall be used for manufacturing in a warehouse unless there is in relation thereto a valid licence.

(11) Any person who manufactures in a warehouse without a licence or a licensee who uses or permits his or her warehouse to be used in contravention of the terms of a licence, commits an offence and is liable on conviction to a fine not exceeding two million shillings or to imprisonment for a term not exceeding three years or both; and any goods in respect to which an offence has been committed shall be liable to forfeiture.

4. (1) A licensee shall, before commencing to manufacture in a warehouse, make entry in the prescribed form and in the prescribed manner of each building, room, place and item plant in the warehouse which he or she proposes to use in the manufacture or storage of raw materials or manufactured goods; and, in each entry, he or she shall specify the purpose for which each building, room, place or item or plant is to be used.

Licence to
make
entries for
building,
items, plant
etc.

(2) A licensee shall not, in the course of manufacturing goods in a warehouse—

- (a) make use of a building, room, place or item of plant in relation to which entry is required under this regulation unless there is, in respect thereof, a valid entry;

(b) effect, without prior permission of the Commissioner-General, an alteration in shape, position or capacity to a building, room, place or plant.

Revocation,
cancellation,
etc of
licence.

5. (1) Where the Commissioner-General suspends, revokes or refuses to renew a licence under regulation 2(1), he or she shall serve or cause to be served, in writing, on the licensee a notice to that effect.

(2) The notice referred to in sub-regulation (1) may be served by delivering it to the licensee or by leaving it at the bonded warehouse or with the person in charge of the bonded warehouse and thereafter the notice shall be deemed to have been served.

Where
a manufacturer
ceases to be
licensed.

6. (1) Where a manufacturer ceases to be licensed under these Regulations, he or she shall enter and deliver for exportation or for removal to another bonded warehouse or for home use all the plant, machinery and equipment, raw materials or manufactured goods in the bonded warehouse within such time as the Commissioner-General may specify.

(2) Where, on the expiry of the time specified by the Commissioner-General under sub-regulation (1), the plant, machinery and equipment, raw materials or manufactured goods are not entered and delivered in accordance with sub-regulation (1) then the plant, machinery and equipment, raw materials or manufactured goods shall be liable to forfeiture.

Storage of
goods and
records in
warehouse.

7. (1) A manufacturer shall—

(a) provide office accommodation and just weights, scales, measures and other facilities for examining and taking account of goods and to secure them as the proper officer may reasonably require;

(b) keep a record of all types of plant, machinery and equipment, raw materials and goods manufactured in a warehouse and keep that record available for examination by the proper officer at all times,

(c) provide all necessary labour and materials for storing, examining, packing, marking, co-operating, weighing and taking stock of the goods in the warehouse whenever the proper officer so requires.

(2) Where a manufacturer contravenes this regulation, the Commissioner-General may direct that the manufacturer shall cease operations until he or she has complied with this regulation to the satisfaction of the Commissioner-General.

(3) A manufacturer who contravenes any of the provisions of this regulation or of a direction given by the Commissioner-General under these Regulations commits an offence.

PART III—TREATMENT OF GOODS IN BONDED WAREHOUSE.

8. (1) All raw materials, whether imported or obtained locally, received in the bonded warehouse, shall be stored in a room of which an entry for the purpose has been made in accordance with regulation 2(1) of these Regulations and the room shall be known as the raw materials stock room.

Raw
materials

9. (1) All manufactured goods shall, after the process of manufacture, be entered in the manufactured goods register and shall be stored in a room of which entry for the purpose has been made in accordance with regulation 3(1) of these Regulations and the room shall be known as the manufactured goods stock room, until they are delivered from the room for exportation or for removal to another bonded warehouse for further manufacture.

(2) At the point of production in the bonded warehouse, the licensee shall issue a production report to the proper officer indicating the number of packages, the description of the goods and rejects and waste.

(3) The proper officer, upon receipt of the production report, shall enter the goods in the Manufactured Goods Register.

(4) The manufactured goods so entered shall be stocked in the manufactured goods stock room.

(5) The manufactured goods shall be stored in such a way as to facilitate the easy taking of their full account.

(6) From the manufactured goods stock room, the goods can either be entered for home use and taxes payable or for export and escorted by a convoy to the point of exportation.

(7) Spoilt or damaged goods shall be transferred to the waste and rejects stock room.

(8) The finished goods shall also be stocked in the stock room according to batch numbers.

10. The waste from the manufacturing process and all manufactured goods which are not of the required standard or specification shall, after the process of manufacture, be stored in a room of which entry has been made for the purpose in accordance with regulation 3(1) of these Regulations and which shall be known as the waste and rejects stock room.

export.

(2) Delivery of manufactured goods from the manufactured goods stock room shall only be made in the presence of the proper officer after they have been duly entered for exportation and shall be transported directly to the port of final exportation in sealed vehicles or containers except in exceptional circumstances or in any special case otherwise authorised by the Commissioner-General.

(3) A licensee shall obtain a certificate of exportation from the proper officer at the port of exit on completion of the exportation, and the certificate shall be submitted to the proper officer at the bonded warehouse as proof of such export within thirty days, or such further period as the proper officer may determine.

Manufactured goods for home use.

13. (1) Notwithstanding anything contained in these Regulations, the Commissioner-General may, subject to such conditions and limitations as he or she may impose and on payment of the duties due, permit goods manufactured in a bonded warehouse, including waste from the manufacturing process to be entered for home use.

(2) Subject to sub regulation (1), goods manufactured in a bonded warehouse and intended for home use shall be entered in a prescribed form.

PART V—WAREHOUSING OF GOODS.

Removal of goods from one warehouse to another.

14. (1) Where goods are warehoused the Commissioner-General may, subject to such conditions as he or she may impose, permit the name of the owner of the goods in the account taken under regulation 12(1) to be changed if an application is made in the prescribed form and signed by both the owner and the intended owner.

(2) Where goods warehoused under these Regulations are to be removed to another warehouse, then the proper officer shall require the owner of the goods—

- (a) to deliver an entry in respect of the goods in such form and manner as the proper officer may direct;
- (b) to give security in such amount not being less than the duty chargeable on the goods, as the proper officer may deem fit for the due arrival and rewarehousing of the goods within such time as the proper officer may consider appropriate; and
- (c) to transmit to the proper officer of the warehouse where the goods are to be re-warehoused an account containing the particulars of the goods.

(3) The security given under subregulation (2) shall not be discharged unless—
