AUTHORITY

PROFESSIONAL GUIDELINES ON LICENCING OF PHARMACIES AND DRUG SHOPS 2017

(Under section 5(ii) of the National drug policy and Authority Act Cap 206 Laws of Uganda)

In exercise of the powers conferred upon the Authority by section 5 of the National Drug Policy and Authority Act Cap 206, these Professional guidelines are issued this 5th day of December 2016

PREAMBLE

National Drug Authority was established by an act of Parliament, the National Drug policy and Authority Act, cap 206 of the laws of Uganda. The Authority is mandated to ensure the availability at all times of essential, efficacious, and cost effective drugs to the entire population of Uganda, as a means of providing satisfactory healthcare and safeguarding the appropriate use of drugs. In accordance, NDA endeavors to achieve this mandate for which it was established in general and more specifically through inspection and licensing of pharmaceutical manufacturers and outlets to ensure they meet the necessary requirements for manufacture, storage and sale of medicines and other pharmaceutical products.

The Licensing requirements and guidelines stipulate all necessary requirements for licensing of pharmaceutical manufacturers and outlets including wholesale and retail pharmacies, drug shops and medical device outlets. The document provides a list of minimum requirements that all applicants must meet in order to receive authorization from NDA for their respective businesses, in form of a certificate for suitability of premises, and manufacturing or operating licenses. The requirements for all applicants include;

- i) Requirements for pharmaceutical and medical device premises.
- ii) Requirements for personnel.
- iii) Requirements for quality management systems.

The document also stipulates guidelines for equitable distribution of pharmaceutical outlets that guides all potential applicants on the restrictions and provisions for setting up of pharmaceutical premises in the various parts of the country. This section intends to promote equity in distribution of pharmaceutical services as a means of achieving NDA's mandate of ensuring access to medicines in Uganda.

1. Requirements for licensing of pharmacies.

Applicants for a pharmacy license must submit the following at the time of application.

- i) Duly filled application forms for certificate of suitability of premises
- ii) Duly filled application forms for the license
- iii) Evidence of payment of the prescribed inspection fees.
- iv) Memorandum and articles of association in case of a body corporate and partnership deed in case of a partnership (to be submitted as hard copies).
- v) Evidence that one of the directors in the company is a pharmacist.
- vi) A sketch plan of the premises taking into consideration the minimum floor area for wholesale, retail, and additional storage area.
- vii) The certified copy of the certificate of registration of the supervising pharmacist.
- viii) Commitment letters from the supervising pharmacist and Professional Auxiliary staff.
- ix) A certified copy of a valid certificate of registration/enrollment with the relevant professional body for the professional auxiliary staff.
- x) For Retail/Wholesale pharmacies (Veterinary): a copy of the certificate of the qualified veterinary professional (Veterinary Surgeon or Animal Husbandry Officer).
- xi) URA TIN certificate.

The minimum floor area acceptable for pharmacies is:

20 square meters of continuous floor space for retail pharmacies (at least 4m² dispensing and 16m² for shop area).

41 square meters for wholesales pharmacies (at least 16m² shop area and 25m² for storage area)

2. Requirements for licensing of drug shops

Applicants for a drug shop license should submit the following at the time of application:

- Duly filled application forms for certificate of suitability of premises
- Duly filled application forms for the license
- Proof of payment of the prescribed inspection fees
- A certified copy of the certificate of registration of the qualified in-charge.
- A letter of commitment from the in-charge.
- A sketch plan of the premises taking into consideration the minimum floor area.
- Two recent passport size photos of the qualified professional.

The minimum floor area of the premises shall be 4m².

3. Requirements for pharmaceutical manufacturing facilities

All applicants interested in establishing new pharmaceutical manufacturing facilities are advised to contact the National Drug Authority for guidance before embarking on any works.

All new applicants are required to follow NDA guidelines for establishing pharmaceutical manufacturing facilities.

An application for a licence to manufacture drugs shall be made using Form 19.

The application shall be accompanied by—

- A certified copy of the certificate of registration of the pharmacist to be in charge of the manufacturing process;
- A list of the drugs to be manufactured and proof of registration of the drugs;
- The certificates of qualification of the key personnel to be involved in the manufacturing process, as may be determined by the Authority;
- Certificate of compliance with the internationally accepted Good Manufacturing Practice Guidelines adopted by the Authority.
- The prescribed fees.

4. Requirements for medical devices and medical laboratory supplies sellers

- All medical and diagnostic equipment sellers shall be required to apply for certificates of Suitability of premises.
- In addition, their activities shall be carried out under the supervision of a duly qualified professional with a pharmaceutical, medical and or biomedical qualification.
- Firms involved in the importation of medical and /or diagnostic reagents, equipment and consumables shall be required to apply for import permits and have their imports verified and inspected by NDA.

5. Requirements for herbal medicines

- All herbal medicine sellers will be required to apply for certificates of suitability of premises.
- All herbal medicine manufacturers will be expected to comply with GMP standards for the manufacture of herbal medicines.
