“emergency works” means any works in the road reserve, which are necessary to prevent, end or avert a dangerous situation or unplanned interruption in the provision of services by a service provider;

“Municipal area” means the area falling within the boundaries of the Ray Nkonyeni Local Municipality as provided for in Notice No. 6766 published in *Provincial Gazette* No. 1708 dated 28 July 2016 or any subsequent notice published in terms of section 16 of the Local Government: Municipal Structures Act, 1998 (Act No. 117 of 1998)

“Municipal store” means the municipal store of the Council;

“Municipal Systems Act” means the Local Government: Municipal Systems Act, 2000 (Act No. 32 of 2000), as amended;

“official website” means the website of the Ray Nkonyeni Local Municipality as provided for in section 21B of the Municipal Systems Act;

“**pothole**” means a depression or hollow in a road surface caused by wear or subsidence.

“**prescribed**” means determined by resolution of the Council from time to time, or by legislation, by-law or policy of Council, or circular or directive from any other authoritative body;

“**public road**” means a road including a street, footpath, pavement, sidewalk, square, road island, subway, bridge, public passageway or other thoroughfare, which the public has the right to use, in the municipal area, for which the Council is responsible, and does not include a provincial road or national road within the municipal area;

“**public service provider**” means a service provider, other than a licensee, which is-

(a) an organ of state, as defined in the Constitution of the Republic of South Africa, 1996 (Act No. 108 of 1996); or

(b) engaged in the provision of a municipal service as defined in the Municipal Systems Act;

“**reinstate**” means to replace the surfacing, including the bituminous surfacing, paving blocks, paving slabs, earth or grass, as the case may be, of a road reserve, and “reinstatement” is construed accordingly;

“**rehabilitate or restore**” means to place a public road in the state in which it was found prior to the performance of any works in the road reserve, including to backfill and reinstate the road reserve, and “restoration” is construed accordingly;

“**road reserve**” means the full width of a public road, and includes the verge and roadway;

“**service**” means a utility or other service provided to the public or a section of the public over a network including, but not limited to, electricity, water, gas and electronic communications network services and any other system for supplying a public need;

“service provider” means the provider of a service;

“trolley” means a push trolley, push cart or any table, stand or basket on wheels;

“watercourse” means a watercourse as defined in section 1 of the National Water Act, 1998 (Act No. 36 of 1998);

“works in the road reserve” means any work that may affect motorists, cyclists, pedestrians, the public road, footways, kerbing, traffic signs, traffic signals, street lighting, underground or overground services or any other structure or service that is contained in the road reserve and includes the digging of trenches, tunnelling, erection of signboards, hoardings and other structures, shaping and landscaping in the road reserve;.

(1) An application for consent to hold a race or sports event on any public road in terms of regulation 317(2) of the National Road Traffic Regulations, 2000, under the National Road Traffic Act, 1996 (Act No. 93 of 1996), must be submitted in writing to the Council on the prescribed form at least 60 days prior to the envisaged event.
- (2) The applicant must pay the prescribed deposit for the costs to be incurred by the Council during and after the race or sports event, to the Council, prior to commencement of the race or sports event and an adjustment must be made after the conclusion of the race or sports event as soon as the Council has determined actual costs incurred by it.
- (3) The Councils' decision in this regard will be final.
- (4) Failure by the Council to respond to the request shall not constitute consent.

Loitering on public roads

12. (1) No person may –
- (a) Lie, sit stand, congregate, loiter or walk, or otherwise act, on any public road in any manner that may obstruct traffic;
- (b) Jostle or loiter at or within twenty (20) metres of the entrance of any place of public worship during the time of divine service or during an assembly at the place of worship or departure from such place of the congregation so as to obstruct or annoy any person going to, attending at, or leaving such place of worship.

Loitering and touting at places of public entertainment

13. (1) No person may loiter or, except when forming part of a queue, congregate on any public road within twenty (20) metres of the entrance to any place of public entertainment so as to obstruct traffic or persons proceeding to, attending at, or departing from such place of entertainment.

Public decency

14. (1) No person may appear unclothed or indecently clothed on any public road.
- (2) No person may on or in view of any public road urinate, excrete, behave in any indecent manner by exposing his or her person or otherwise, make use of any indecent gesture, or commit, solicit or provoke any person to commit any riotous, disorderly or indecent act.
- (3) No person may on any public road sing any obscene or profane song, or use any profane, foul, indecent or obscene language.
- (4) No person may on any public road in any way loiter or solicit or inconvenience or harass any other person for the purpose of begging, nor for the purposes of any sexual conduct, or soliciting.
- (5) No person may on a public road use any threatening, abusive or insulting words or gestures or behaviour with intent to cause a breach of the peace or whereby a breach of the peace is likely to be occasioned.

Trolleys

15. (1) the owner or the person who controls or has the supervision over a trolley or who offers it to be used by any person, or who uses it for any purpose whatsoever, may not leave or abandon it or permit it to be left or abandoned on any public road.
- (2) Any trolley which has been left or abandoned on any public road, may be removed, or caused to be removed, by an authorised official and placed under the care of the Municipality.

Public road collections

16. (1) No collection on a public road may be organised or held without the prior written permission of the Council.
- (2) Application for such permission must be made on a form provided for this purpose by the Council.
- (3) Every application must be accompanied by proof that the organisation or person intending to hold the public road collection is authorised to collect a contribution in terms of the Non-

Profit Organisations Act, 1997 (Act No. 71 of 1997), or the Fund-Raising Act, 1978 (Act No. 107 of 1978), as the case may be.

- (4) The Council may grant permission referred to in subsection (1) to an organisation or person to hold a collection on a specified public road, date and at a specified time and reserves the right to determine the number of collections which may be held on any one day on the public road so specified.
- (5) Every organisation or person, holding a public road collection is entitled to use his, her or its own identifiable collection boxes and if any organisation or person does not possess any boxes, the Council's collection boxes may be used upon payment of the prescribed fee.

Control of stormwater and watercourses on public road

- 17 (1) No person may, without prior written permission of the Council, to which conditions may be attached –
- (a) Lead or discharge any water including water from a swimming pool on or over or across a public road; or
 - (b) by any means whatever, raise the level of water in any river, dam or watercourse so as to cause interference with or endanger any public road.
 - (c) allow excessive amounts of stormwater to flow from a private tenement onto a public road.
 - (d) allow any wastewater from any drain, or pipe or any other water to flow from a private tenement onto a public road.
- (2) The Council may, subject to any other applicable laws and after obtaining consent of the owner and the occupier, if any, of any land which is affected -
- (a) deviate any watercourse, stream or river if the deviation is necessary for the protection of a public road or structure related to a public road or for the construction of a structure connected with or belonging to a public road;
 - (b) divert stormwater from or under any public road onto private property other than land occupied by buildings, other structures or improvements; and or deviate stormwater away from any private property which stormwater causes or may reasonably cause damage to such public road
 - (c) pay reasonable compensation as agreed between the owner or occupier and the Council, for any damage caused as a result of any action taken in terms of

subsection(2)(a) or (b) or failing such agreement, compensation determined by arbitration in terms of the Arbitration Act, 1965 (Act No. 42 of 1965).

Obstruction on public roads

18. No person may deposit or cause to be deposited or leave or cause to be left any sand, stone, earth, bricks, timber, lime, cement or other building or excavated material of whatever nature on any portion of any road reserve unless it is deposited within an enclosure in respect of which the prior written permission of the Council has been obtained.

Planting on sidewalks

19. No person may plant or cause to be planted, any tree, shrub or other plant on any road reserve, which obstructs or interferes with pedestrian traffic on such road reserve or allow any such tree, shrub or plant to remain on that road reserve.

20. POTHOLES

Claimants who intend on claiming from the Municipality for Pothole Damages must complete the template attached hereto for such claims, attach all required documents required therein and ensure that a proper Notice is served on the Municipality in terms of Act 40 of 2002, as amended, enclosing the completed template and attachments, on the following conditions:

20.1. Mandatory Requirements for submission of claims:

- 20.1.1. Pothole claims will only be considered for Roads falling within the network of Municipal Roads. To this end a claimant must ensure that it obtains confirmation from the Roads Section of the Municipality before submitting claims and attach such confirmation to the claim Notice.
- 20.1.2. Pothole claims will not be entertained to the extent that a claim is covered by a claimants Insurers and /or it is paid out by Insurers. To this end, a declaration must be made by the claimant that it does not have Insurance that covers Pothole Damages and/or that its claim has been repudiated (to submit written proof) or that its claims has been partially paid (to submit written proof). False declarations will render the claimant liable to re-pay any claims that may be paid by the Municipality and the claimant may be subject to criminal charges.
- 20.1.3. Pothole claims will not be entertained unless the full information required by the Municipality is provided as per this By-Law and the attached Template. Specifically and together with any other information required as outlined in the attached Template, the time of the incident, weather, road surface, visibility, details of witnesses, declaration of speed, sketch of incident, GPS coordinates of Pothole and/or exact address of the incident and the road name must be provided. Photos of vehicles damages and whole vehicles that shows registration, number must also be provided, together with, the Drivers license, Identity Document of driver and owner if driver is not the owner, confirmation of whether the claim is on behalf of an entity or private person, if an entity then the entity's registration documents, personal particulars of claimant, capacity or person if acting on behalf of an

entity and authority to act on behalf of the entity, list of names of occupants of the vehicle at the time of the incident, three quotations for damages, comments on roadworthiness of the vehicle.

- 20.1.4. An incident report/sufficient proof of Incident Report having been opened, dated no later than 24hrs from time of incident must be provided to the Municipality.

20.2. Processing of claims

- 20.2.1. All claims must be submitted to the Municipal Managers office, must comply with Act 40 of 2000 and enclose the attached completed Template with all required supporting documents.
- 20.2.2. Within 5 working days of proper service, a claimant will get an acknowledge receipt of claim and a directive as to the correct office for purposes of communication and tracking progress of the claim.
- 20.2.3. If the claim is handed over to the Municipalities Insurers, the claimant shall liaise with the Assets Section of the Municipality in terms of tracking progress and submission of any information. If the claim is repudiated by the Municipalities Insurers, then the Assets Section will within, 14 days of repudiation, inform the claimant providing reasons, where-after the claimant, within 14 days thereafter, must indicate whether it intends pursuing its claim against the Municipality, where-after, it can liaise with the Legal Office of the Municipality for further processing of its claim, if it chooses to pursue the claim. Should it fail to indicate that it intends to pursue within the stipulated time, the claimant will not be entitled to issue Summons against the Municipality, unless it informs the Assets Section and Legal Office of its intentions and it is provided with an opportunity to have its claim considered outside the realms of the Insurers and without litigation, and after a period of ninety days elapses after it exhausted its claim via the Legal Office.
- 20.2.4. The Municipality will inform the claimant, if the claim is being dealt with via the Legal Office of the Municipality, within ninety days of submission, provided that all requested information had been submitted by the claimant, as to the outcomes of the assessment of the claim and the claimant will have 30 days from receipt of such communication, to make submissions to the Municipal Managers office as to whether it accepts the outcomes or not.
- 20.2.5. If claim is successful, then the claimant must provide correct banking details in writing to the legal office and the Municipality, will endeavour to pay the claim within sixty (60) days thereof.

20.3. Specific Exclusions

- 20.3.1. No claims will be entertained where road markings or signage are present indicating the presence of potholes in the vicinity of the pothole/incident.
- 20.3.2. The pothole which allegedly caused the incident must be within the road markings.
- 20.3.3. No claims will be entertained if the contact with the pothole occurred as a result of an accident.
- 20.3.4. No claims will be entertained if the driver if the vehicle is found to have been driving above the speed limit, even in the case of an emergency warranting the excessive speed.
- 20.3.5. No claims will be entertained in respect of Roads that are not a Ray Nkonyeni Municipal Road.
- 20.3.6. No claims will be entertained by the Municipality where it is found that a Contractor(s) had been assigned to repair potholes at the time of the incident and the Municipality must be

requested to provide the contact details of the Contractor, to whom the claim must be submitted directly.

- 20.3.7. No claims will be entertained directly by the Municipality, after it is handed over to its Insurers until finalization.
- 20.3.8. No claims will be entertained by the Municipality if it is more than three years after the date of the incident.
- 20.3.9. No claims will be entertained if the Licence of the authorized Driver of the Vehicle was expired at the time of the incident or if the vehicle licence was expired at the time of the incident.
- 20.3.10. No claims will be entertained if the vehicle which sustained damages as a result of a pothole, was being towed at the time of the incident.

20.4 Reservation of Rights

- 20.4.1 The Municipality reserves the right to conduct inspections and interview claimants and / or witnesses and obtain information from the SAPS or eNATIS System, obtain further quotations or assessments reports, obtain information and Reports from the Roads Section of the Municipality, in assessing the merits of the claim.
- 20.4.2 The Municipality reserves the right to request further information, over and above, what is herein required, in assessing the claim and is not bound to pay out any claim submitted in respect of pothole damages where, on a balance of probabilities, the claim is not proved to the satisfaction of the Municipality.
- 20.4.3 The Municipality reserves its rights to entertain a claim without every supporting document being submitted as herein required, based on the circumstances of each claim, on condition that sufficient information is submitted to make a fair assessment of the claim. Any such assessment made and claim that may be finalized in favour of a claimant shall not be construed as a waiver of its rights to require such documents for any claims whether already submitted or in the future.

CHAPTER 3

TRAFFIC MATTERS

Control of traffic

21. An authorised official may direct any form of traffic by means of any visible or audible signal and every person must obey such signal.

Clinging to moving vehicles

- (2) In the case of works provided for in section 33(1) (a) –
- (a) the applicant must indicate in the notice submitted in terms of section 33(1) ,either whether it wishes itself to perform the permanent reinstatement of the road reserve, and, if so, details of its expertise and experience in performing such works, or whether the Ray Nkonyeni Local Municipality is required to perform such works;

- (b) The Ray Nkonyeni Local Municipality must, where applicable, inform the licensee within 30 days of receipt of the notice submitted in terms of section 33(1), whether the licensee is permitted to perform the permanent reinstatement of the road reserve;
- (c) Where the Ray Nkonyeni Local Municipality is to perform the permanent reinstatement of the road reserve –
- (i) The applicant must temporarily reinstate the road reserve subsequent to the performance of the works provided for in section 33(1)(a);
 - (ii) An order for permanent reinstatement must be submitted to the Ray Nkonyeni Municipality with the completion notice referred to in section 40(1);
 - (iii) the applicant will be charged by the Ray Nkonyeni Local Municipality for the permanent reinstatement of the road reserve at the applicable rates published for this purpose by the Ray Nkonyeni Municipality on the official website from time to time; and
 - (iv) the licensee must make payment of the amount charged by the Ray Nkonyeni Local Municipality for reinstatement upon presentation of an invoice by the Ray Nkonyeni Municipality within the time period specified in that invoice, which shall not be less than thirty (30) days, failing which the Ray Nkonyeni Municipality shall be entitled to charge interest upon the unpaid amount at the rate specified in the invoice.
- (3) Where, subsequent to the performance of any works performed by the licensee to restore the public road or other municipal land, as the case may be, the Council is not satisfied that the restoration, including, where applicable, any backfilling or reinstatement, complies with any applicable specifications or considers that, during any period during which the restoration is guaranteed, any remedial work is required in order to comply with such specifications, the Council may perform, or may direct the licensee to perform, any work necessary to ensure that the public road or other municipal land is restored in accordance with the applicable specifications, including replacing any material used by the applicant, and the licensee shall be liable for any and all costs incurred in performing such work, and must pay the costs incurred by the Council in this regard upon presentation of an invoice by the Council, within the period of time specified in that invoice, which shall not be less than thirty (30) days, failing which the Council shall be entitled to charge interest upon the unpaid amount at the rate specified in the invoice.

Completion

37. (1) Once the applicant has concluded any works in the road reserve, and the steps required to be taken by the licensee to restore the public road have been performed, and all materials, equipment and rubble have been removed from the site and the site is completely cleared and cleaned, the licensee must give written notice to the Council that the works have been completed.
- (2) Upon receipt of the notice of completion referred to in subsection (1), the Council Ray Nkonyeni Municipality, as the case may be, will arrange a meeting with the applicant at the site or sites where any works were performed to inspect the site and determine whether the requirements of these By-laws and any applicable specifications have been complied with.
- (3) If, following its inspection of the site in terms of subsection (2), the Ray Nkonyeni Local Municipality is satisfied that these By-laws and any applicable specifications have been complied with, the Ray Nkonyeni Local Municipality, shall issue a certificate certifying that the works notified in terms of section 33(1) have been completed.
- (4) If, following its inspection of the site in terms of subsection (2), the Ray Nkonyeni Local Municipality is not satisfied that these By-laws and any applicable specifications have been complied with, the Ray Nkonyeni Local Municipality may direct the licensee concerned in writing to take such steps as the Ray Nkonyeni Local Municipality may consider necessary for such compliance, and the applicant must perform such steps, at its own cost, within the period specified in the direction.
- (5) Any period during which the works required to be taken by the licensee to restore the public road or municipal land are guaranteed shall commence from the date on which the certificate of completion referred to in subsection (3) is issued to the licensee.
