Recently the Register of Companies has been revised with a view to removing the names of companies which, apparently, have not been operating over a long period, and the majority of the companies listed in List B above appear to fall into that category.

Die Register van Maatskappye word hersien met die doel om die name van maatskappye wat blykbaar vir 'n geruime tydperk nie besigheid gedoen het nie, te verwyder. Die meerderheid van die maatskappye wie se name in die voorafgaande Lys B voorkom, resorteer klaarblyklik in daardie groep.

STATEMENT BY THE CHAIRMAN.

The following is the statement to Members by the Chairman Mr. C. J. Fuchs, on the Directors' Report and Accounts for the year ended 30th June, 1959:—

On this, the Twelfth Annual General Meeting, which coincides with the 30th Anniversary of your Company, it is my privilege to present for your approval, the Report of the Directors and the financial accounts for the year ended 30th June, 1959. As these have been circulated to all Members and as you have all had an opportunity of studying them, I propose to take them as read.

During the past year production was maintained on a satisfactory level. The total volume produced, however, was approximately 10 per cent lower than the previous year. This fact, together with the much more difficult selling conditions, resulted in considerably reduced earnings. The reason for this condition was influenced by the financial stringencies during the period, which considerably affected the building industry, to which we are large suppliers. Secondly, the very large volume of imports of refrigerators, namely 41,414 during the year 1958, and more than 12,000 during the first six months of this year, has resulted in a complete oversupply of this commodity. When taking all matters into account your Board considered the earnings sufficient to justify the continuation of the Dividend of 15 per cent on a par with the previous year. Results, however, do not justify the payment of a bonus.

CONSOLIDATED ACCOUNTS.

After taking into account the Dividend of £10,350 received from an Associate Company and after providing for depreciation of plant, machinery, furniture, fixtures and fittings and vehicles, interest paid during the year, writing down of the cost of manufacturing rights, the scrapping of and loss realised on certain fixed assets and providing for doubtful debts, the consolidated profit for the year amounted to £169,820 to which must be added the balance from the previous year of £74,012 making a total of £243,832.

After providing £38,985 for Union Government Taxes, a transfer of £50,000 to General Reserve, the writing off of goodwill and preliminary expenses of £9,431, the payment of Interim Dividend No. 15 of £30,000 and providing for a Final Dividend No. 16 of £30,000, there is a balance of £85,416 to be carried forward.

OVERSEAS ASSOCIATIONS.

I am pleased to report that the Technical Licence Agreement with the Westinghouse Electric International Company continues satisfactorily and that we intend to increase our range of licensed products considerably. Shareholders will be most happy to learn that our relationship with Westinghouse has been extended, and I am very proud to advise that we have been appointed the Westinghouse distributors of domestic appliances and are now responsible for sales and service within the Union. I look forward with great confidence to our ever-expanding association.

Our association with Messrs. Electrolux (Pty.), Limited, continues, and our relationship constantly grows in the spirit of greater co-operation.

Our manufacturing arrangements with Ronco, Limited, continues in a most cordial atmosphere.

I regret to advise that the arrangement with Messrs. Thos. Barlow & Sons and Kelvinator Corporation of the U.S.A., has in the meantime been discontinued. I will elaborate on this subject under the heading of General.

ASSOCIATE COMPANIES.

Our associate industrial manufacturing company, Messrs. F. W. J. Electrical Industries (Pty.), Limited, continues to make progress and is constantly adding to its variety of quality electrical products.

Sales were considerably increased during the past year and earnings were satisfactory. Messrs. Alberton Distributors (Pty.), Limited, of Cape Town experienced severe competition, however, considering the general economic conditions existing during the period, the result was, nevertheless, satisfactory at the conclusion of the year in question.

Your Board of Directors wish to express their appreciation to the managements of these companies for their good work during the past year and wish them continued success.

SUBSIDIARY COMPANIES.

Shareholders will note that a new Company was established in Salisbury, Southern Rhodesia, known as Albany Distributors (Pty.), Limited.

An additional branch of Oranje Distributors (Pty.), Limited, Bloemfontein, is presently being established in Kimberley.

Your various distribution, sales and service branches continue to make progress, and the actual sales of Fuchsware products increased considerably during the past year.

My co-directors join me in expressing our thanks to the managers of these various Companies for the progressive manner in which they pursue their sales policies; this attitude has contributed most effectively to the prestige of your products, and the results attained are most gratifying.

ADDITIONAL WORKS.

I am pleased to report that the integration of the two Companies acquired has now been completed, and all plant required at the Alberton works has been installed; unhampered production should, therefore, result in the present financial year.

NEW PLANT.

In my last report I mentioned that we were building a second factory which is located in Bulawayo, Southern Rhodesia. The administrative building has been completed, but owing to the turn of events in the economy of both the Union and the Rhodesias, your Board considered it inadvisable to continue with the erection of the main works pending an uplift in the economy of both countries. In the meantime, therefore, the building is being used as a distribution centre for both Southern and Northern Rhodesia.

RAW MATERIALS.

There was no difficulty in obtaining the raw materials needed by your works. Steel supplies were adequate and I wish to thank the managements and personnel at both Steel Sales Company and the Vanderbijl Park Steel Mill for their co-operation.

GENERAL.

In general, trading conditions during the year under review were undoubtedly difficult; production had to be maintained at the expense of earnings owing to the lesser demand, which resulted in considerably increased local and foreign competition. As you will note in the first paragraph, the tremendous volume of refrigerators imported amounted to over 80 per cent of the estimated Union demand of 50,000 per annum. These refrigerators were imported free of duty during the calendar year of 1958.

When considering the foregoing circumstances, I am sure Shareholders will agree, after taking into account these adverse factors, that the net result is indeed satisfactory.

I am convinced that the experience gained in this period of difficult trading will stand in good stead in the future as it had the effect of increasing the pressure on Management with a view to attaining even lower unit costs than were previously believed possible.

It is gratifying to note that the Board of Trade appreciated the problems facing the refrigerator industry and applied a 15 per cent *ad valorem* duty in the month of January, 1959. Whether the duty is sufficient will not become apparent for at least one year, due to the very large quantities of refrigerators unsold. I am, nevertheless, confident that the Board of Trade has its finger

It is my firm belief that business is now showing a very slight upward tendency and I have the utmost confidence in the future of your Company and its ability to continue a satisfactory operation.

Shareholders will note that the Directors Messrs. A. A. Drimie and N. J. Tayler representing Messrs. Thos. Barlow & Sons have resigned. The reason for this action is that the arrangement originally concluded did not prove satisfactory and has been discontinued. Under these circumstances, it was felt that this action was necessary to avoid any embarrassment to your Company as a result of conflicting interests. It should be appreciated that these arrangements were concluded in a most friendly atmosphere.

My sincere thanks and appreciation to my co-directors, secretaries and accountants, engineers, production managers and their staffs, also works production supervisors, not forgetting the loyal group of artisans, operatives and Bantu employees for their co-operation, loyalty and achievements during the past year.

Before asking for the adoption of the Balance Sheet as circulated, the Report and Accounts are open for discussion.
