PRICE CONTROL.

MAXIMUM PRICES OF COAL.

Acting in terms of War Measure No. 49 of 1946, I, Heinrich Rudolph Philip August Kotzenberg, Price Controller, hereby amend Government Notice No. R. 45 of the 12th January, 1962, by substituting the following new paragraph for paragraph 4 of the aforementioned Government Notice:—

"*Paragraph* 4.—Except as provided in paragraphs 3, 5, 6 and 7 hereof, the maximum price at which any person (other than a producer of coal) may sell any coal to any other person, is the price that was in force on the 31st August, 1962 for such coal, plus the additional railage resulting from the surcharge on the railage rate on coal which became effective on the 1st September, 1962. If on the said day the seller did not sell coal, the maximum price at which he may sell coal, is the price which was in force on the 31st August, 1962, for coal in the same or nearest locality plus the additional railage resulting from the said surcharge: Provided that (*a*) the price per bag in the case of sales by the bag and (*b*) the total price in the case of sales by the truckload, may be rounded off to the next highest half cent."

H. R. P. A. KOTZENBERG,
Price Controller.

NOTE.—The effect of this notice is to increase proportionately the maximum retail selling price of coal, due to the 10 per cent surcharge on the railage.
