THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates and costs R5 per part (other countries R5,25 per part). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Cloth binding, R30; morocco binding, R35 (other countries, cloth binding R31; morocco binding R36).

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Sales tax must accompany inland orders.

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk gelyktydig gepubliseer, maar met onreëlmatige tussenpose; elke deel bevat tien kleurplate. Intekengeld bedra R5 per deel (buitelands R5,25 per deel): Vier dele per band. Vanaf band 27 is die prys per band in linne gebind R30; in moroccoleer gebind R35. (Buitelands, linne gebind R31; moroccoleer R36).

Verkrygbaar van die Direkteur, Afdeling Landbouinligting, Privaatsak X144, Pretoria.

Verkoopbelasting moet by binnelandse bestellings ingesluit word.

NEDBANK GROUP LTD (Inc. in RSA) • INTERIM REPORT.—The unaudited net operating income after tax and after transfers to internal reserves attributable to shareholders of the Nedbank Group Ltd for the six months ended 31/3/79 amounted to R20,310 m which represents an increase of 22 per cent on the same period last year.

Earnings per share for the period under review increased from 19,4c to 23,4c.

General.—During the half-year under review the South African economy moved out of the longest post-war recessionary period into a rather hesitant upturn burdened at first by high interest rates, too rapid a rate of inflation and slack private sector loan demand.

During the latter months of the period, however, the Government took positive steps to encourage a revival. The bank rate was reduced in steps by 1,5 per cent between August 1978 and March 1979 as a prelude to a good and stimulatory Budget. During these months, too, the Rand was uncoupled from the U.S. Dollar and allowed to find its own level in a managed float. The new system resulted in increased competition by Banks for foreign exchange business.

In this climate, the Nedbank Group was able to move with the economy into a more confident environment. In particular, it further strengthened its capital position by lowering the ratio of deposits to own funds from 11,3:1 to 10,9:1 so as to be able to finance the expected increase in lending as the economy grows more strongly.

During the six months of changing economic climate, despite increasing operating costs and despite the slack private sector lending, the taxed income of the group increased by 22 per cent in comparison with the corresponding previous half-year. Trading conditions in the past six months coupled to the stimulatory monetary and especially fiscal measures augur well for a continuation of the improved economic conditions.

Dividend announcement.—An interim dividend in respect of the year ending 30/9/79 of 8,5c (7c) per share has been declared payable to shareholders registered in the books of the Company at the close of business on 11/5/79. The transfer books and register of members will be closed on 12/5/79 and reopen on 21/5/79. Dividend cheques will be posted on or about 4/6/79. Non-Resident Shareholders' Tax will be deducted where applicable.

Any person who has grounds for objection to any of the following trade marks may, within the prescribed time, lodge Notice of Opposition on form SM 6 contained in the Second Schedule to the Trade Marks Rules in South West Africa, 1973. The prescribed time is two months after the date of advertisement. This period may on application be extended by the Registrar.

Formal opposition should not be lodged until after notice has been given by letter to the applicant for registration so as to afford him an opportunity of withdrawing his application before the expense of preparing the Notice of Opposition is incurred. Failing such notice to the applicant an opponent may not succeed in obtaining an order for costs.

"B" preceding the number indicates Part B of the Trade Mark Register.
