Ordinary Dividend 44: Notice is hereby given that a Final Ordinary Dividend of 9c per share has been declared in respect of the year ended 31/3/79, payable to all ordinary shareholders registered at the close of business on 13/7/79. Together with the interim dividend of 5c per share paid on 24/1/79, this makes a total distribution for the year of 14c per share (1978: 10c).

The relative share transfer books and register of members of the Company will be closed from 14/7/79 to 22/7/79, both days inclusive. Dividend warrants will be posted to shareholders on or about 8/8/79.

In terms of the Income Tax Act, 1962, as amended, a Non-Resident Shareholders' Tax has been imposed on dividends payable to—

- (a) persons, other than companies, not ordinarily resident nor carrying on business in the Republic;
- (b) companies not registered nor carrying on business in the Republic.

The Company will accordingly deduct the tax from dividends payable to shareholders whose addresses in the share register are outside the Republic.

Earnings per ordinary share rose by a satisfying 56 per cent, from 23,6c to 36,9c. The Final Dividend has been fixed at 9c (1978: 5c), making the total for the year 14c, compared with 10c for 1978.

The substantially better performance flowed from the decision, reported last year, to contract the scale of operations in line with actual rather than anticipated sales levels. The disposal with effect from -/10/78 of a number of outlets in South Africa and the closure of other non-profitable units resulted in a reduction in sales with a large fixed-cost element, but this reduction was matched by the increased sales emanating from the remaining activities of the group. The total value of sales was virtually unchanged from that of the previous year. After absorbing the greater part of the non-recurring expenses, earnings for the last six months of the year were nearly twice those for the first six months, thereby allaying the fears at the time of the interim statement that the healthier business climate then prevailing would not extend into 1979. Profitability in associated companies improved sharply, particularly in Australia, where a loss was converted into a worthwhile profit, and in the agency business in South Africa for local timber.

In reviewing the year, it can be seen that many factors contributed positively to a stronger and more active economic environment. The fall in interest rates, the higher and more resilient gold price and the healthy surplus on foreign trade account encouraged more confidence, with the group benefiting from an increase in building plans passed, higher motor vehicle sales and greater manufacturing output by the furniture industry.

While the oil crisis and the rate of inflation both give cause for concern, on balance the immediate future looks brighter and it should be enhanced by the progressive adoption of the reports of the De Kock, Wiehahn and Rieker commissions. Group sales for the year to date exhibit a firm trend and, taking cognisance of all the factors, the achievement in the current year of earnings per share of the order of 50c appears to be within the group's capability.

Dividend 22: Notice is hereby given that a Final Dividend of 3,2c per share has been declared in respect of the year ended 31/3/79, payable to all shareholders registered at the close of business on 13/7/79. Together with the interim dividend of 1,8c per share paid on 25/1/79, this makes a total distribution for the year of 5c per share (1978: 3,6c).

The share transfer books and register of members of the Company will be closed from 14/7/79 to 22/7/79, both days inclusive. Dividend warrants will be posted to shareholders on or about 9/8/79.

In terms of the Income Tax Act, 1962, as amended, a Non-Resident Shareholders' Tax has been imposed on dividends payable to—

- (a) persons, other than companies, not ordinarily resident nor carrying on business in the Republic;
- (b) companies not registered nor carrying on business in the Republic.

The Company will accordingly deduct the tax from dividends payable to shareholders whose addresses in the share register are outside the Republic.

The investment of 50 per cent in Plate Glass and Shatterprufe Industries Ltd (PGSI) continues to dominate Placor's portfolio of interests and the marked increase in earnings is derived principally from the strong recovery by that group. Other activities, though still only making a minor contribution, also benefitted from the general improvement in economic conditions and generated the equivalent of 0,91c per Placor share (1978: 0,36c). The return to profit of Pilkington Brothers (S.A.) (Pty) Ltd, in which an effective 5,3 per cent interest is held, is of particular note, as is the sharp rise in profit of Building Improvements Finance Co. (Pty) Ltd. The latter Company has successfully diversified into the management of assets, mainly book debts, under contract.

The policy of distributing in full the amount received from PGSI by way of dividend has been maintained. Accordingly, a Final Dividend of 3,2c per share has been declared, bringing the total for the year to 5c, 39 per cent more than for 1978.

THE FLOWERING PLANTS OF AFRICA

This publication is issued as an illustrated serial, much on the same lines as Curtis's Botanical Magazine, and for imitating which no apology need be tendered.

The desire and object of the promoters of the publication will be achieved if it stimulates further interest in the study and cultivation of our indigenous plants.

The illustrations are prepared mainly by the artists at the Botanical Research Institute, but the Editor welcomes contributions of suitable artistic and scientific merit from kindred institutions.

Each part contains 10 plates and costs R5 per part (other countries R5.25 per part). Two, three or four parts may be published annually, depending on the availability of illustrations. A volume consists of four parts. From Volume 27, the price per volume is: Cloth binding, R30; morocco binding, R35 (other countries, cloth binding R31; morocco binding R36).

Obtainable from the Director, Division of Agricultural Information, Private Bag X144, Pretoria.

Sales tax must accompany inland orders.

DIE BLOMPLANTE VAN AFRIKA

Hierdie publikasie word uitgegee as 'n geïllustreerde reeks, baie na die aard van Curtis se "Botanical Magazine". Die doel van die werk is om die skoonheid en variasie van vorm van die flora van Afrika aan die leser bekend te stel, om belangstelling in die studie en kweek van die inheemse plante op te wek, en om plantkunde in die algemeen te bevorder.

Die meeste van die illustrasies word deur kunstenaars van die Navorsingsinstituut vir Plantkunde gemaak, dog die redakteur verwelkom geskikte bydraes van 'n wetenskaplike en kunsstandaard afkomstig van verwante inrigtings.

Onder huidige omstandighede word twee dele van die werk gelyktydig gepubliseer, maar met onreëlmatige tussenposes; elke deel bevat tien kleurplate. Intekengeld bedra R5 per deel (buitelands R5.25 per deel): Vier dele per band. Vanaf band 27 is die prys per band in linne gebind R30; in moroccoleer gebind R35. (Buitelands, linne gebind R31; moroccoleer R36).

Verkrygbaar van die Direkteur, Afdeling Landbouinligting, Privaatsak X144, Pretoria.

Verkoopbelasting moet by binnelandse bestellings ingesluit word.
