That the liquidator be and he is hereby authorised and required to sell, cede, assign, transfer, relinquish and make over, unto and in favour of Airama (Pty) Ltd ("Airama"), all the right, title and interest, reversionary or otherwise, of Airflo Conditioning (Pty) Ltd ("the Company") in and to a factoring agreement ("the Factoring Agreement") entered into between the Company and Barclays Factors ("Barclays") on 30/11/76, which, without derogating from the generality of the foregoing, shall include all outstanding book debts covered by and forming the subject matter of the Factoring Agreement, for the sum of R500, payable in cash upon due adoption of this resolution, it having been disclosed to creditors of the Company that—

(a) in terms of the Factoring Agreement Barclays purchased the Company's book debts;

(b) the purchase price in respect of such book debts is payable by Barclays, *inter alia*, as to the amounts of the invoice values thereof less a factoring charge as defined in the Factoring Agreement, less any indebtedness, present or future, of the Company to Barclays from time to time;

(c) the indebtedness of the Company to Barclays is approximately R7 000;

(d) any book debts recovered over and above the aforesaid amount of R7 000 is payable by Barclays to the Company in respect of the balance of the purchase price for the debts;

(e) Barclays has, for a period in excess of one year, been endeavouring to collect the aforementioned book debts, but without success;

(f) the said Airama is willing to purchase and to take cession of the Company's rights in and to the Factoring Agreement as aforementioned and to thereby, *inter alia*, acquire the said unpaid book debts by reason of the facts that—

(i) its employee, one Nicholas Varvarigos, a former director of the Company, is associated with the majority of the debtors;

(ii) because of his expertise and association with such debtors, it believes that this will enable it to collect the book debts, or a substantial portion thereof, which Barclays, the liquidator and any other purchaser of such book debts have not been able and would not be able to do;

(iii) Barclays has been unsuccessful, for a period of approximately one year, in recovering payment of such outstanding book debts;

(iv) Barclays has been unsuccessful as aforesaid despite every reasonable effort which it has made to collect such book debts;

(g) the liquidator genuinely believes that the outstanding book debts are not reasonably recoverable and that neither such book debts nor the Company's right, title and interest in and to the Factoring Agreement are or is commercially saleable elsewhere; and

(h) as a result of such cession, Barclays will abandon its claim of approximately R7 000 against the Company, in respect of the said Factoring Agreement and the liquidator will abandon all claims (if any) which it may have against Barclays in respect of the Factoring Agreement.
