OFFICIAL PLACE NAMES

Official place names approved since 1940 by the then Minister of Education on the recommendation of the Place Names Committee were published in 1951 in a book known as *Official Place Names in the Union and South-West Africa*.

This publication has now been revised and brought up to date to 1 April 1977 and the printing has just been completed by the Government Printer. The book is now entitled *Official Place Names in the Republic of South Africa and in South-West Africa* (1977) and is issued by the National Place Names Committee of the Department of National Education.

In addition to an informative *Introduction* dealing with general principles, Afrikaans and English place names and place names from Indigenous languages, an alphabetical list is given of all official place names in the Republic of South Africa and in South-West Africa, as well as some in neighbouring states with particulars in each case of—

- (a) the province or neighbouring state in which the place concerned is situated;
- (b) the name of the district, municipal area or near-by centre to facilitate identification of the situation of the place;
- (c) the nature of the place (i.e. whether it is a town, township, urban area, agricultural holding, motorbus halt, post office or railway station);
- (d) the route on which the place is situated in the case of a railway station or motorbus halt.

The book consists of 550 pages in A5 format with an *Introduction* in Afrikaans and in English. The pages are thread-stitched and bound in a hard cover.

Dealing as it does with official place names and the naming of places, this publication will be of considerable value, not only to those who wish or have to consult it for official or other purposes, but also to students of onomastics, of linguistics and natural science, as well as to teachers, researchers, historians, geographers, etc. It may even become a sought-after item for Africana collectors.

The price is R37,80 plus 4 per cent sales tax per copy. (Book stores are offered a discount of 33½ per cent). The publication will be delivered to you post-free.

Only a limited number of copies is being printed.
