Definitions

1. In these Regulations any expression defined in the Act bears that meaning and, unless the context otherwise indicates —

"broker" means a person as contemplated in section 65 of the Act whose part of regular business or part thereof provides a service or advice in respect of the introduction of prospective members to a medical scheme;

"child dependant" means a dependant who is under the age of 21 or older if he or she permitted under the rules of a medical scheme to be a dependant;

"creditable coverage" means any period of verifiable medical scheme membership of the applicant or his or her dependant, but excluding membership as a child dependant, terminating two years or more before the date of the latest application for membership;

"enhanced option" means any benefit option which offers benefits in respect of scope of treatment and care, location of care or level of amenities available or both in addition to those required under the prescribed minimum benefits package;

"hospital treatment" means any treatment which requires:
   (a) an overnight stay in hospital or
   (b) the use of an operating theatre together with the administration of a general or regional anaesthetic or
   (c) the application of other diagnostic or surgical procedures that carry a significant risk of death, and consequently require on-site resuscitation or surgical facilities or both; or
(d) the use of equipment, medication or medical professionals not generally found at a place other than a hospital;

"late joiner" means an applicant or the adult dependant of an applicant who, at the date of application for membership, is 35 years of age or older and has not been a member or a dependant of a member of any medical scheme for a period of two years immediately prior to applying for membership;

"managed health care" means an arrangement through which utilisation of health care is monitored through the use of mechanisms which are designed to monitor appropriateness, promote efficacy, quality and cost effectiveness of the delivery of relevant health services;

"practice code number" means the number allotted to a supplier of a relevant health service as a practice number by an organisation or body approved by the Council;

"pre-existing sickness condition" means a condition for which medical advice, diagnosis, care or treatment was recommended or received within the twelve-month period ending on the date on which an application for membership was made;

"public hospital system" means the entire system of hospitals of each provincial government, and includes any necessary transfer to a public hospital outside the province of residence for specialist treatment not available at the province of residence; and

"the Act" means the Medical Schemes Act, 1998 (Act No. 131 of 1998).
CHAPTER 2

Administrative requirements

Registration of medical scheme

2. (1) Every application for registration of a medical scheme must be in writing and signed by the person applying for the registration of the medical scheme and must contain —

(a) the full name under which the proposed medical scheme is to be registered;
(b) the date on which the proposed medical scheme is to come into operation;
(c) the physical and postal addresses of the registered office of the proposed medical scheme;
(d) two copies of the rules of the proposed medical scheme, which must comply with regulation 4(1), and must be duly certified by the applicant as being true copies of the rules which will come into operation on the date of registration of the proposed medical scheme or the date of commencement of the medical scheme, whichever date is applicable;
(e) the full names, physical and postal addresses and curriculum vitae of the principal officer and trustees of the proposed medical scheme;
(f) in the case of a restricted membership medical scheme, the name or names of the participating employer(s);
(g) the name and address of the person who will administer the medical scheme;
(h) a copy of the administration agreement, in the case where the proposed medical scheme is to be administered by an administrator;
(i) a copy of any other joint-administration agreement between a medical scheme and any other party;
(j) the guarantees and the guarantee deposit vouchers as the Registrar may require;
(k) a detailed statement of services to be undertaken, directly or indirectly, on behalf of the proposed medical scheme by an administrator, broker and managed care organisation;
(l) a detailed business plan; and
(m) such other information as the Registrar may require.

(2) The application referred to in subregulation (1) must be accompanied by an application and registration fees as prescribed by regulation 31 (a) and (b).

(3) The minimum number of members required for the registration of a medical scheme established after these regulations have come into operation is 6000, and this number must be admitted within a period of three months of registration of the medical scheme.

Proof of membership

3. (1) Every medical scheme must issue to each of its members, written proof of membership containing at least the following particulars —
   (a) the name of the medical scheme;
   (b) the surname, first name, other initials if any, gender, and identity number of the member and his or her registered dependants;
   (c) the membership number;
   (d) the date on which the member becomes entitled to benefits from the medical scheme concerned;
   (e) if applicable, details of waiting periods in relation to specific conditions;
   (f) if applicable, the fact that the rendering of relevant health services is limited to a specific provider of service or a group or category of providers of services; and
   (g) if applicable, a reference to the benefit option to which the member is admitted.

(2) A medical scheme must, within 30 days of the termination of membership or at any time at the request of any former member, or dependant, provide that member or dependant with a certificate, stating the period
of cover, type of cover and whether or not the person qualified for late joiner status.

(3) A copy of the certificate contemplated in subregulation (2) must be forwarded on request to any medical scheme to which the former member or dependant subsequently applies for membership.

Administration of a medical scheme

4. (1) The rules of a medical scheme which are sent to the Registrar and any amendment thereto must comply with the following requirements:

(a) they must be printed in at least 1.5 spacing and a font of at least 12 on A4 paper of at least 80 grams;
(b) they must be printed on one side of the paper only, with a margin of at least 30 mm on the left side and at least 25 mm at the top and bottom and on the right side;
(c) headings and subheadings must be printed in bold print;
(d) no underlining must be made in the document containing the rules; and
(e) the document referred to in paragraph (d) must at the beginning contain a detailed table of contents of the rules, with references to the relevant page numbers.

(2) A medical scheme that provides more than one benefit option may not in its rules or otherwise, preclude any member from choosing, or deny any member the right to participate in, any benefit option offered by the medical scheme, provided that a member or a dependant shall have the right to participate in only one benefit option at a time.

(3) A medical scheme may in its rules provide that a member may only change to any benefit option at the beginning of the month of January each year, and by giving written notice of at least three months before such change is made.
(4) A medical scheme must not in its rules or in any other manner structure any benefit option in such a manner that creates a preferred dispensation for one or more specific groups of members or to provide for the creation of ring-fenced nett assets by means of such benefit option or to transfer accumulated pro rata net assets of such option to another medical scheme.

Accounts by suppliers of services

5. The account or statement contemplated in section 59(1) of the Act must contain the following —

(a) The surname and initials of the member;
(b) the surname, first name and other initials, if any, of the patient;
(c) the name of the medical scheme concerned;
(d) the membership number of the member;
(e) the practice code number, group practice number and individual provider registration number issued by the registering authorities for providers, if applicable, of the supplier of service and, in the case of a group practice, the name of the practitioner who provided the service;
(f) the relevant diagnostic and such other item code numbers that relate to such relevant health service;
(g) the date on which each relevant health service was rendered;
(h) the nature and cost of each relevant health service rendered, including the supply of medicine to the member concerned or to a dependant of that member; and the name, quantity and dosage of and net amount payable by the member in respect of the medicine;
(i) where a pharmacist supplies medicine according to a prescription to a member or to a dependant of a member of a medical scheme, a copy of the original prescription or a certified copy of such prescription, if the scheme requires it;
(j) where mention is made in such account or statement of the use of a theatre-
contemplated in paragraph (e) of the medical practitioner or dentist who performed the operation;
(ii) the name or names and the relevant practice number and provider number contemplated in paragraph (e) of every medical practitioner or dentist who assisted in the performance of the operation; and
(iii) all procedures carried out together with the relevant item code number contemplated in paragraph (f); and

(k) in the case of a first account or statement in respect of orthodontic treatment or other advanced dentistry, a treatment plan indicating —
(i) the expected total amount in respect of the treatment;
(ii) the expected duration of the treatment;
(iii) the initial amount payable; and the monthly amount payable.

Manner of payment of benefits

6. (1) A medical scheme must not in its rules or in any other manner in respect of any benefit to which a member or former member of such medical scheme or a dependant of such member is entitled, limit, exclude, retain or withhold; as the case may be, any payment to such member or supplier of service as a result of the late submission or late re-submission of an account or statement; before the end of the fourth month —

(a) from the last date of the service rendered as stated on the account, statement or claim; or

(b) during which such account, statement or claim was returned for correction.

(2) If a medical scheme is of the opinion that an account, statement or claim is erroneous or unacceptable for payment, it must inform the member within 30 days after receipt of such account, statement or claim that it is erroneous or unacceptable for payment and state the reasons for such an opinion.

(3) After a member has been informed as referred to in subregulation (2), such
member must be afforded an opportunity to correct and resubmit such account or statement before the end of the fourth month following the date from which it was returned for correction.

(4) If an account, statement, or claim is correct or where a corrected account, statement or claim is received, as the case may be, a medical scheme must, in addition to the payment contemplated in section 59(2) of the Act, dispatch to the member a statement containing at least the following particulars—

(a) The name and the membership number of the member;
(b) the name of the supplier of service;
(c) the final date of service rendered by the supplier of service on the account or statement which is covered by the payment;
(d) the total amount charged for the service concerned; and
(e) the amount of the benefit awarded for such service.

CHAPTER 3

Contributions and benefits

Contributions in respect dependants

7. A medical scheme may in its rules provide that contributions in respect of a child dependant may be less than those determined in respect of other dependants.

Prescribed Minimum Benefits

8. (1) From the date of commencement of these regulations, the prescribed minimum benefits that medical schemes must offer in terms of the Act consist of the provision of treatment for all the categories of Diagnosis and Treatment Pairs listed in Annexure A, subject to any limitations specified in Annexure A.
(2) Any benefit option that is offered by a medical scheme must reimburse in full, without co-payment or the use of deductibles, the diagnostic, treatment and care costs of the prescribed minimum benefit conditions specified in Annexure A in at least one provider or provider network which must at all times include the public hospital system.

(3) Cover in the public hospital system must include all the costs of diagnosis, treatment and care for the prescribed minimum benefit Diagnosis-Treatment Pairs in Annexure A to a level and entitlement that is not different in terms of quality and intensity to the services provided to publicly funded patients.

(4) Medical schemes may offer enhanced options to their members through additional cover for any specific entitlements: Provided that diagnosis, treatment and care under the prescribed minimum benefits is provided.

(5) The options referred to in subregulation (4) may include the use of alternative providers or provider networks and could incorporate member co-payments, or enhanced options for other benefits that fall outside of the prescribed minimum benefits or both.

(6) If cover for a prescribed minimum benefit as defined in Annexure A under an enhanced option is exhausted while the patient still requires diagnosis, treatment for that prescribed minimum benefit, that patient may be transferred to a lower cost provider or provider network, but the medical scheme must continue to be fully liable for all costs incurred in delivering the prescribed minimum benefit care that is required.

(7) A member or dependant shall not lose his or her entitlement to any prescribed minimum benefit, regardless of any enhanced option they may choose or as a result of any condition associated with that enhanced option.
(8) Medical schemes may employ appropriate interventions aimed at improving the efficiency and effectiveness of health care provision provided that every option offered by a medical scheme must at least provide full cover for prescribed minimum benefits in at least the public hospital system.

(9) These regulations must not be construed to prevent medical schemes from employing techniques such as the designation of preferred providers, requirements for Pre-Authorization and the application of Treatment Protocols: Provided that in the case of Pre-Authorization a medical scheme must not refuse authorization for the delivery in a public hospital of standard treatment for a prescribed minimum benefit as defined in Annexure A.

(10) Every Medical Scheme must make provision in its rules for the reimbursement of the cost of care that is considered to fall within the Prescribed Minimum Benefits prescribed under these Regulations within all the membership options that the medical scheme offers.

(11) Medical schemes must refer to these Regulations in their rules and such reference may not be a full reproduction of these Regulations.

(12) Medical schemes must specify in their rules whether they restrict the provision of the prescribed minimum benefits under specific membership options to a named network of providers.

(13) The Registrar must determine whether a medical scheme's rules are consistent with the provisions of the Act and these Regulations before approving such rules.

(14) Disputes and complaints between a member or a provider and the medical scheme in relation to minimum prescribed benefits must be dealt with in terms of Chapter 10 of the Act.
Limits on benefits

9. A medical scheme may, in respect of the financial year in which a member joins the scheme, reduce the annual benefits with the exception of the prescribed minimum benefits, pro-rata to the period of membership in the financial year concerned calculated from the date of admission to the end of the financial year concerned.

Personal medical savings accounts

10. (1) A medical scheme must not pay into a members' personal medical savings account an amount that exceeds the equivalent of three contribution months of the total contribution made in respect of the member during the financial year concerned.

(2) The limit on contributions into personal medical savings accounts apply to each individual member of a medical scheme.

(3) Funds deposited in a member's personal medical savings account must not be used to offset contributions.

(4) Credit balances in a member's personal medical savings account shall be transferred to another medical scheme with a personal medical savings account regime when such member changes medical schemes.

(5) Credit balances in a member's personal medical savings account must be taken as a cash benefit, subject to applicable laws, when the member terminates his or her membership of a medical scheme or benefit option without enrolling in another medical scheme or enrolls in another medical scheme without a personal medical savings account provision.

(6) Any balance in a member's personal medical savings account shall be excluded from the calculation of the mandatory nett assets of the medical scheme.
(7) Every medical scheme must provide the following to the Registrar with regard to members' personal medical savings accounts —
   (a) details of amounts paid into members' personal medical savings accounts;
   (b) details on both debit and credit balances in members' personal medical savings accounts;
   (c) details on amounts paid to members or their estates on termination through resignation or death;
   (d) details on benefits, by category, paid out of members' personal medical savings accounts; and
   (e) any other reports that the Council may specify from time to time.

CHAPTER 4

Waiting periods and premium penalties

General waiting periods

11. (1) A medical scheme may impose a general waiting period of up to three months upon a new member and the member's dependant(s) before such member or dependant(s) is entitled to claim any benefits: Provided that a member may choose to make a payment to the scheme in lieu of the waiting period and the level of payment shall be established by the medical scheme and must be reasonably related to the average expected cost of the waiver.

(2) A medical scheme may impose a specific waiting period of no more than nine months for any costs of confinement due to pregnancy.

(3) A general waiting period must not be imposed on a member if, at the date of application, the member has been a member or a dependant of a member of one or more medical schemes for a continuous period of two years or more.

(4) A member referred to in subregulation (3) above, shall apply to the new
medical scheme for membership within a period of three months in order for the general
waiting period not to apply.

(5). No waiting period may be imposed on a dependant child born during the
period of membership.

Pre-existing sickness conditions

12. (1) A medical scheme may require an applicant to provide the medical
scheme with a medical report on any condition present at the time of application for
which medical advice, diagnosis, care or treatment was recommended or received
within the twelve months period ending on the date on which an application was made
by an applicant and his or her dependants.

(2) Where a pre-existing sickness condition exists in respect of an applicant or a
dependant, a medical scheme may impose a condition-specific waiting period for not
more than twelve months on the applicant or on a dependant or both from the date of
coverage: Provided that:

(a) No waiting period may be applied to any treatment or diagnostic procedure
covered within the prescribed minimum benefits; and

(b) No pre-existing sickness condition exclusion may be applied to any member
or dependant who is moving between benefit options in the same medical
scheme.

Premium penalties for persons joining late in life

13. (1) A medical scheme may apply premium penalties to an applicant or
dependant of a late joiner and such penalties must be applied only to the portion of the
contribution related to the member or any adult dependant who qualifies for late joiner
penalties.
(2) The premium penalties referred to in subregulation (1) shall not exceed the following bands:

<table>
<thead>
<tr>
<th>Number of years an applicant was not a member of a medical scheme after age 30</th>
<th>Maximum Penalty</th>
</tr>
</thead>
<tbody>
<tr>
<td>5-9 years</td>
<td>1.05 x contribution</td>
</tr>
<tr>
<td>10-19 years</td>
<td>1.25 x contribution</td>
</tr>
<tr>
<td>20-29 years</td>
<td>1.5 x contribution</td>
</tr>
<tr>
<td>30+ years</td>
<td>1.75 x contribution</td>
</tr>
</tbody>
</table>

(3) Any years of creditable coverage which can be demonstrated by the applicant or his or her dependant shall be subtracted from his or her current age in determining the applicable penalty.

(4) Where an applicant or his or her dependant produces evidence of creditable coverage after a late joiner penalty has been imposed, the scheme must recalculate the penalty and apply such revised penalty from the time such evidence is provided.

(5) Late joiner penalties may continue to be applied upon transfer of the member or adult dependant to other medical schemes.

(6) For a period of six calendar months from 1 January 2000 until 30 June 2000, medical schemes must accept late joiners applying for membership without imposing any of the penalties described in subregulation (1) and such applicants must be accepted on a first come, first served basis.

(7) A medical scheme must report annually to the Registrar on the number of late joiners enrolled in each band during the previous year and cumulatively.
Conditions for continued membership

14. (1) If a medical scheme requires that continued membership referred to in section 29(1)(s) and (t) of the Act be subject to a qualifying period of membership in respect of the member, such period shall not exceed five years.

(2) In order to qualify for continued membership contemplated in subregulation (1), contributions may be paid to cover any outstanding period.

(3) Previous membership of any other medical scheme by a member must be taken into account in determining the period referred to in subregulation (1).

CHAPTER 5

Provision of managed health care

Conditions for providing managed health care

15. (1) If a medical scheme provides benefits to its members by means of a managed health care arrangement with another person, such arrangement —

(a) must be in writing;
(b) must be with a person who has applied to the Council for accreditation; and
(c) must not absolve a medical scheme from its responsibility towards its members if any other party to the arrangement is in default with regard to the provision of any service in terms of such arrangement.

(2) The arrangement contemplated in subregulation (1) must specifically provide that no member or dependant of a member may be held liable by the participating provider for any sums owed by the medical scheme or any other person.

(3) An arrangement between a medical scheme and a provider of a managed health care service must require either party to give at least 90 days prior notice before terminating such arrangement.
(4) A medical scheme shall not enter into any arrangement where a provider of a relevant health service is forbidden in any manner from informing patients of the care they require, including various treatment options, and whether in the provider's view, such care is medically necessary and appropriate.

(5) A medical scheme shall not terminate an arrangement with a provider, nor shall it enter into a arrangement with any other person that provides for termination as a result of—

(a) the provider expressing disagreement with a decision to deny or limit benefits to a member;

(b) the provider assisting the member to seek reconsideration of any such decision; or

(c) a provider discussing with a member any aspect of the member's medical condition, any proposed treatment or treatment alternatives, whether covered by the medical scheme or not;

(6) Where a medical scheme or any other person who provides a managed health care service to a medical scheme proposes to terminate an arrangement with the provider, the notice of termination must include—

(a) the reasons for the proposed termination;

(b) a notice that the provider has a right to request a hearing before an impartial panel appointed by the Council for that purpose;

(c) a period of not less than 30 days within which a provider may request a hearing; and

(d) the date for the hearing which must be within 30 days from the date of receipt of the request for a hearing.

(7) The panel contemplated in subregulation (6)(b) must decide within three days of such hearing, and must communicate the decision to the provider, and the decision may be a reinstatement of the provider, or provisional reinstatement subject to conditions determined by the panel or termination of the arrangement with the
(8) A medical scheme may not use a financial incentive that directly or indirectly compensates a provider for ordering or providing services that are not necessary or appropriate to patients.

(9) Any information pertaining to the diagnosis, treatment or health of any member of a medical scheme or of any dependant of such member must be treated as confidential.

(10) A medical scheme must have access to any treatment records held by the provider and other information pertaining to the diagnosis, treatment and health status of the member in terms of the arrangement, but such information may not be disclosed by the provider to any other person without written consent of the member, unless such disclosure is in terms of any legislation.

(11) A medical scheme may not prohibit, or enter into an arrangement that prohibits the initiation of appropriate intervention by a provider prior to receiving authorization from the medical scheme or any other party, where a person suffers from a condition that requires immediate medical or surgical intervention.

(12) Any decision to deny coverage shall be made by a medical practitioner and after consultation with a medical practitioner treating the patient.

(13) A member may appeal against the decision of the review panel referred to in subregulation (6) (b) to the Council and the Council must hear the appeal as soon as it is practically possible.
CHAPTER 6

Administrators of medical schemes

16. In this Chapter —

"internal financial controls" means controls which are established in order to ensure a reasonable safeguarding of assets against unauthorized use or disposition, the maintenance of proper accounting records and the reliability of financial information used within the business of the administrator.

Conditions to be complied with by administrators

17. (1) A person desiring to act as an administrator of a medical scheme must apply to Council for accreditation.

(2) An application for accreditation referred to in subregulation (1) must be in writing and must contain —

(a) the full name and curriculum vitae of the person who is the head of the administrator's business;
(b) the home and business addresses and telephone numbers of the person referred to in paragraph (a);
(c) the name of the auditor referred to in regulation 20;
(d) a report prepared by the auditor in the form set out in Annexure C, indicating whether or not the administrator's system of internal financial control is adequate for the size and complexity of the business of the medical scheme or schemes to be administered;
(e) a copy of the proposed administration agreement between the administrator and the medical scheme or schemes concerned; and
(f) such other information or document as the Council may from time to time require.

(3) Accreditation as an administrator is only valid for a period of two years.
Agreement in respect of administration

18. (1) Prior to the commencement of administrative functions with regard to a particular medical scheme, an administrator must enter into a written agreement with the relevant medical scheme in which the terms and conditions of the administration of the medical scheme are recorded.

(2) The agreement referred to in subregulation (1) must provide —

(a) for the scope and duties of the administrator;
(b) that the administrator must, on behalf of the medical scheme, administer the business of a medical scheme in accordance with the Act and as provided for in the rules of the medical scheme;
(c) for the basis on which the administrator is to be remunerated;
(d) for the termination of the agreement at the instance of either party after notice in writing of a period of not less than 90 days and not more than 180 days; and
(e) that all registers, minute books, records and all other data pertaining to the medical scheme, must at all times remain the sole property of the medical scheme concerned.

(3) Any changes to the agreement referred to in subregulation (1) must be in writing and must be effected by way of an addendum to the existing agreement or a new agreement between the administrator and the medical scheme.

(4) If on the date of coming into operation of this Chapter, an agreement is in force in terms of which an administrator is administering a medical scheme and the existing agreement does not comply with the requirements of this Chapter, such administrator must enter into a new agreement which complies with this Chapter with every medical scheme within six months from the date of coming into operation of this Chapter, unless the medical scheme notifies the Registrar that the interests of the medical scheme are protected in terms of the existing agreement.
Termination of administration agreements

19. (1) If the administration agreement between a medical scheme and an administrator is terminated, such administrator must furnish a report to the Registrar not later than 60 days after such termination, confirming—

(a) that all documents of title relating to assets, the assets register, minute books, members' records and other records and information pertaining to the medical scheme have been delivered to the trustees of the medical scheme or the new administrators, as the case may be;

(b) the date and address of such delivery; and

(c) the name of the trustee or person at the new administrator's business to whom the documents referred to in paragraph (a) have been delivered.

(2) If an administrator is for any reason unable to comply fully or partially with this regulation, the report referred to in subregulation (1) must contain full particulars regarding documentation which has not been delivered, the reasons therefor as well as a plan with the dates on which compliance will take place, to enable the Registrar to approve of such further period as may be determined by him or her.

Appointment of auditor

20. An administrator must appoint an auditor who must examine the accounting records and annual financial statements of the administrator in accordance with the South African auditing standards and satisfy himself or herself that—

(a) the accounting records comply with the requirements of the Act and these regulations; and

(b) the annual financial statements are in agreement with the accounting records and properly drawn up to fairly present the financial position, changes in equity, results of operations and cash flows of the administrator in accordance with generally accepted accounting practice and in the manner required by the Act and these regulations.
Indemnity and fidelity guarantee insurance

21. An administrator must take out and maintain professional indemnity insurance and fidelity guarantee insurance from and up to such an amount as the administrator, with the concurrence of the Registrar, may determine.

Maintenance of financially sound condition

22. An administrator must at all times maintain his or her business in a financially sound condition by —

(a) having assets which are at least sufficient to meet current liabilities;
(b) providing for liabilities; and
(c) generally conducting the business to ensure that the business is at all times in a position to meet its liabilities.

Depositing of medical scheme moneys

23. An administrator must deposit any medical scheme moneys under administration, not later than the business day following the date of receipt thereof, into a bank account opened in the name of the medical scheme concerned.

Safe custody of documents of title

24. (1) Whenever a document of title relating to assets held by a medical scheme or to be held on behalf of a medical scheme comes into possession of the administrator, the administrator must make adequate arrangements to ensure the continued safety of the assets held in safe custody.

(2) The administrator must mark the document referred to in subregulation (1) in a manner which will render it possible to establish readily that the medical scheme is the owner of such assets, and maintain a register to identify ownership of assets.

Annual report

25. Within four months after the end of the financial year of the administrator,
the administrator must furnish the Registrar with —

(a) a report by the auditor of the administrator in the format set out in Annexure C; and

(b) a representation letter from the management of the administrator in the format set out in Annexure D.

Furnishing of other information

26. (1) An administrator must furnish the Registrar with such information concerning the administrator's shareholders, directors, members, partners and senior employees as the Registrar may from time to time require.

(2) If there is a change of owners, directors, members or shareholders and such change has an effect on the control of the administrator in question, the administrator must apply for accreditation in terms of regulation 17(2).

Ceasing, dissolution or liquidation of business

27. (1) If an administrator ceases to conduct business, is dissolved, liquidated or the administrator's accreditation has been withdrawn, the administrator's auditor must furnish a report to the Registrar confirming —

(a) that all documents of title relating to assets, the assets register, minute books, computer records, data and other records pertaining to the medical scheme under administration have been delivered to the trustees of the medical scheme or the new administrators, as the case may be;

(b) the date and address of delivery contemplated in paragraph (a); and

(c) the name of the trustee or other person at the administrator to whom the documents referred to in paragraph (a) have been delivered.

(2) If the auditor is for any reason unable to comply fully or partially with subregulation (1), the report must contain full particulars concerning the documents which have not been delivered, full reasons therefor as well as a plan with the dates on which compliance will take place to enable the Registrar to approve of such further
period as may be determined by him or her.

CHAPTER 7

Conditions to be complied with by brokers

28. (1) A medical scheme must not compensate any person in terms of section 65 for acting as a broker unless such person —

(a) has been accredited by the Council to act as a broker or apprentice broker;
(b) has been issued with a certificate by the Council;
(c) is a fit and proper person for purposes of acting as broker or apprentice broker;
(d) enters into a prior written agreement with the medical scheme concerned, and the nature and compensation payable to such person must be fully disclosed in the financial statements of the medical scheme concerned;
(e) discloses to the prospective member the name of the medical scheme concerned and the fact that he or she is acting in terms of an agreement;
(f) discloses to the prospective member the registered contributions for the cover;
(g) discloses to the prospective member the nature of the services rendered by the broker;
(h) provides best advice and acts at all times in good faith towards the member, the prospective member and the medical scheme concerned;
(i) provides documentary proof to the member or prospective member that he or she has obtained accreditation from the Council;
(j) discloses to the member or prospective member the compensation payable to the broker, which shall not be in excess of the maximum amount as determined in terms of subregulation (2);
(k) complies with the minimum level of services provided for in the accreditation requirements;
(l) complies with the recognised educational qualifications contemplated in subregulation (8);
(m) complies with the code of ethics for appropriate behaviour provided for in the accreditation requirements; and

(n) undertakes not to receive any other incentive, reward or compensation from any other source in addition to the disclosed compensation as contemplated in subparagraph (d).

(2) A maximum amount payable in a given year in respect of the performance of services relating to the introduction of a member to a medical scheme by any number of brokers shall not exceed 3% plus value added tax (VAT) of the contributions payable in respect of members introduced by such broker during that year.

(3) Subregulation (2) must not be construed to restrict a medical scheme from allocating the maximum aggregate broker commission payable using a sliding fee scale determined by the size of the group being introduced.

(4) No compensation is payable unless such compensation has been indicated in the rules of the medical scheme concerned.

(5) Any compensation in respect of members introduced which exceed one year must be disclosed separately to the Registrar and shall be subject to an agreement between the broker and the medical scheme, and the agreement must specify the services to be rendered by such broker.

(6) A person is disqualified from performing broker services if he or she is an unrehabilitated insolvent or has previously received a disqualifying rating as a broker or apprentice.

(7) Any person desiring to be accredited as a broker must apply on or before 1 December 1999 in writing to the Council and the application must be accompanied by documentary proof of a recognised educational qualification and appropriate experience.
(8) A recognised educational qualification and appropriate experience, for the purposes of this regulation, means —
  Grade 12 education; and
  a minimum of two years demonstrated experience as broker or apprentice broker in health care business;

(9) Individuals not meeting the qualifications for broker may apply for accreditation as apprentice brokers and such applications must be submitted to Council on or before 1 December 1999, must be accompanied by documentary proof of:
  (a) Grade 12 education;
  (b) agreement by a fully accredited broker to supervise the prospective apprentice;
  (c) current accreditation of the supervising broker, and
  (d) enrolment in a course of study sponsored by an organisation recognised by the Council.

(10) Accreditation as a broker may be granted by Council for two years at a time, to expire on 31 December of the second year and certification of brokers and apprentice brokers will be granted on an annual basis and will expire on 31 December of every year.

CHAPTER 8

Accumulated funds and assets

Minimum accumulated funds to be maintained by a medical scheme

29. (1) In this Regulation "accumulated funds" means the nett asset value of the medical scheme, excluding funds set aside for specific purposes and unrealised non-distributable reserves.
(2) Subject to sub-regulations (3) and (4), a medical scheme must at any time maintain accumulated funds expressed as a percentage of gross annual contributions for the accounting period under review which may not be less than 25%.

(3) A medical scheme must maintain accumulated funds, expressed as percentage of gross annual contributions, of not less than 10% during the first year after these regulations have come into operation, 13,5% during the second year, 17,5% during the third year, and not less than 22% during the fourth year.

(4) A medical scheme that for a period of 30 days fails to comply with sub-regulations (1) or (3) must notify the Registrar in writing of such failure, and must provide information relating to —
(a) the nature and causes of the failure, and
(b) the course of action being adopted to ensure compliance therewith.

Limitation on assets to be held in the Republic

30. (1) A medical scheme must have assets of the kinds and categories specified in column 1 of Annexure B in the Republic, the aggregate fair value of which, on any day, is not less than the aggregate of —.
(a) the aggregate fair value on that day of its liabilities; and
(b) the minimum accumulated funds to be maintained in terms of Regulation 29.

(2) The assets that a medical scheme is required in terms of subregulation (1) to have in the Republic, when expressed as a percentage of the aggregate fair value of the liabilities and the minimum accumulated funds to be maintained in terms of Regulation 29, must not exceed the percentage specified against it in column 2 of Annexure B.

(3) For the purposes of this Regulation, an asset of the kind or category specified in items 1(b), 3(b), 5, 6(b) and 7(b) of Annexure B shall be deemed to be in the Republic.
(4) In this Regulation and Annexure B —

"convertible debenture" means a debenture which is convertible into equity shares of a company;

"fair value" in relation to —

(i) a credit balance, deposit or margin deposit, means the amount thereof;

(ii) property, plant and equipment, means the difference between the cost and the total amount provided or written off for depreciation or reduction in value since the date of acquisition;

(iii) an asset which is listed on a licensed stock exchange, means the selling price at which it was quoted on that stock exchange on the date at which the value is calculated;

(iv) an asset which is a long-term policy, means the amount which would be payable to the policyholder upon the surrender of the policy on the date at which the value is calculated;

(v) an asset referred to as a unit trust, means the price at which the unit would have been repurchased by the unit trust management company on the date at which the value is calculated, and, in the case of a property unit trust, the market value on the date at which the value is calculated, and, if it is listed on a stock exchange, the selling price at which it was quoted on that stock exchange on the date at which the value is calculated;

(vi) a futures contract, means the mark-to-market value, as defined in the rules of SAFEX referred to in section 17 of the Financial Markets Control Act, 1989;

(vii) an option contract, means the price at which it was quoted on a stock exchange on the date at which the value is calculated;

(viii) a derivative not mentioned in paragraph (vi) or (vii), means a price calculated as determined by the Council;

(ix) any other asset or liability, means the price at which the asset could be exchanged, or the liability settled, between knowledgeable, willing parties in an arm's length transaction, as estimated by the medical
scheme;
“linked policy” means a long-term policy in relation to which the liabilities of the long-term insurer are linked liabilities as defined in the Long-term Insurance Act, 1998 (Act No. 52 of 1998);
“margin” in relation to a stock exchange, means the margin as defined in regulations issued or approved by the appropriate authority of the state in which the stock exchange is situated or which is required by that stock exchange;
“margin deposit” means a margin with SAFEX and a stock exchange;
“margin with SAFEX” means the margin as defined in the rules of SAFEX referred to in section 17 of the Financial Markets Control Act, 1989 (Act No 55 of 1989);
“property company” means a company —
(a) whose ownership of —
(i) immovable property; or
(ii) all of the shares in the company who’s principal business consists of the ownership of immovable property or which exercises control over a company who’s principal business consists of the ownership of immovable property; or
(iii) a linked policy, to the extent that the policy benefits thereunder are determined by reference to the value of immovable property, constitutes in the aggregate, 50 per cent or more of the market value of its assets;
(b) which derives 50 per cent or more of its income, in the aggregate, from —
(i) investments in immovable property; or
(ii) investments in another company which derives 50 per cent or more of its income from investments in immovable property; or
(iii) a linked policy to the extent that the policy benefits thereunder are determined by reference to the value of immovable property; or
(c) which exercises control over a company referred to in paragraphs (a) or (b);
"regulated market" means a market situated outside the Republic which is characterised by —

(a) regular operation; and

(b) the fact that regulations are issued or approved by the appropriate authority of the State where the market is situated to determine conditions —

(i) for the operation of and access to the market; and

(ii) to be satisfied by a financial instrument in order for it to be effectively traded in the market;

"SAFEX" means the South African Futures Exchange;

"securities" include bills, bonds, debentures and debenture stock, loan stock, promissory notes, annuities, negotiable certificates of deposit and other financial instruments of whatever nature; and

"shares" include share stock.

(5) In this Regulation and Annexure B an instrument may not be deemed to be a derivative unless —

(a) it is based on an underlying asset of a kind set out in Annexure B or has the equivalent effect to such an instrument; and

(b) in the case of —

(i) an over-the-counter instrument, it is capable of being readily closed out and is entered into with a counter party approved by the Council subject to such conditions as the Council may determine;

(ii) an instrument referred to in Annexure B, it is listed; or

(iii) any other instrument, it is regularly traded on a licensed stock exchange in the Republic, or on any other financial market in the Republic approved by the Council subject to such conditions as the Council may determine.

(6) For the purposes of calculating the fair value of assets there must be disregarded —
(a) any amount of premium, excluding a premium in respect of a reinsurance policy, which is due and payable;
(b) an amount, excluding a premium in respect of a reinsurance policy, which remains unpaid after the expiry of a period of 12 months from the date on which it became due and payable;
(c) an amount representing administrative, organisational or business extension expenses incurred directly or indirectly in the carrying on of the business of a medical scheme;
(d) an amount representing a liability or a reinsurance contract in terms of which the medical scheme concerned is the policy holder; and
(e) an asset to the extent to which such asset is encumbered.

(7) If the Registrar is satisfied that the value of an asset or liability, when calculated in accordance with subregulations (4), (5) and (6) does not reflect a fair value, he or she may direct the medical scheme to appoint another person, at the cost of the medical scheme, to place a fair value on that asset or liability, or the Registrar may direct the medical scheme to calculate the value in another manner which he or she determines and which will produce a fair value for that asset or liability.

(8) A medical scheme that for a period of 30 days fails to comply with subregulations (1) and (2) must notify the Registrar in writing of such failure, providing information relating to —

(a) the nature and causes of the failure, and
(b) the course of action being adopted to ensure compliance therewith.

CHAPTER 9

General matters

Fees payable
31. The following fees are payable in respect of the matters as indicated —

(a) An application for registration of a medical scheme: R5000,00;
(b) the registration of a medical scheme: R1000,00;
(c) to change the name of a medical scheme: R500,00;
(d) registration of amendments, rescissions or additions to the rules of a medical scheme in terms of section 31 of the Act, per A4 page or part thereof: R50,00;
(e) inspection of documents in terms of section 41(3) of the Act, per document: R50,00;
(f) a copy or extract made by the Registrar of or from a document referred to in section 41(3) of the Act, per A4 page or part thereof: R20,00;
(g) application for approval as an administrator contemplated in section 58(4) of the Act: R10 000,00;
(h) application for accreditation as a broker contemplated in section 65 of the Act: R1000,00;
(i) an appeal contemplated in section 50(3) of the Act: R 2000,00.
(j) An application for accreditation to provide a managed health care service to a medical scheme: R10,000,00

Penalties

32. The penalty for every day which a failure contemplated in section 66(3) of the Act continues, is R1000,00.

Commencement of the regulations

33. These regulations, with the exception of chapters 3, 4 and 8 come into operation on 1 November 1999. Chapters 3, 4, 8, and Annexures A and B come into operation on 1 January 2000.
Annexure A

Explanatory Note

The objective of specifying a set of Prescribed Minimum Benefits within these regulations is two-fold:

(i) To avoid incidents where individuals lose their medical scheme cover in the event of serious illness and the consequent risk of unfunded utilisation of public hospitals.
(ii) To encourage improved efficiency in the allocation of Private and Public health care resources.

The Department of Health recognises that there is constant change in medical practice and available medical technology. It is also aware that this form of regulation is new in South Africa. Consequently, the Department shall monitor the impact, effectiveness and appropriateness of the Prescribed Minimum Benefits provisions. A review shall be conducted at least every two years by the Department that will involve the Council for Medical Schemes, stakeholders, Provincial health departments and consumer representatives. In addition, the review will focus specifically on development of protocols for the medical management of HIV/AIDS. These reviews shall provide recommendations for the revision of the Regulations and Annexure A on the basis of:

(i) inconsistencies or flaws in the current regulations;
(ii) the cost-effectiveness of health technologies or interventions;
(iii) consistency with developments in health policy; and
(iv) the impact on medical scheme viability and its affordability to Members.

Categories (Diagnosis and Treatment Pairs) constituting the Prescribed Minimum Benefits Package under Section 29(1)(o) of the Medical Schemes Act (listed by Organ-System chapter)

BRAIN AND NERVOUS SYSTEM

CODE: 906A
DIAGNOSIS: ACUTE GENERALISED PARALYSIS, INCLUDING POLIO AND GUILLAIN-BARRE
TREATMENT: MEDICAL MANAGEMENT; VENTILATION AND PLASMAPHERESIS

CODE: 341A
DIAGNOSIS: BASAL GANGLIA, EXTRA-PYRAMIDAL DISORDERS; OTHER DYSTONIAS NOS
TREATMENT: INITIAL DIAGNOSIS; INITIATION OF MEDICAL MANAGEMENT

CODE: 950A
DIAGNOSIS: BENIGN AND MALIGNANT BRAIN TUMOURS, TREATABLE
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT, WHICH INCLUDES RADIATION THERAPY

CODE: 49A
DIAGNOSIS: COMPOUND/DEPRESSED FRACTURES OF SKULL
TREATMENT: CRANIOTOMY/CRANIECTOMY

CODE: 213A
DIAGNOSIS: DIFFICULTY IN BREATHING, EATING, SWALLOWING, BOWEL, OR BLADDER CONTROL DUE TO NON-PROGRESSIVE NEUROLOGICAL (INCLUDING SPINAL) CONDITION OR INJURY
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT; VENTILATION

CODE: 83A
DIAGNOSIS: ENCEPHALOCELE; CONGENITAL HYDROCEPHALUS
TREATMENT: SHUNT; SURGERY

CODE: 902A
DIAGNOSIS: EPILEPSY (STATUS EPILEPTICUS, INITIAL DIAGNOSIS, CANDIDATE FOR NEUROSURGERY)
TREATMENT: MEDICAL MANAGEMENT; VENTILATION; NEUROSURGERY

CODE: 211A
DIAGNOSIS: INTRASPINAL AND INTRACRANIAL ABSCESS
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT

CODE: 905A
DIAGNOSIS: MENINGITIS - ACUTE AND SUBACUTE
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT

CODE: 513A
DIAGNOSIS: MYASTHENIA GRAVIS; MUSCULAR DYSTROPHY; NEURO-MYOPATHIES NOS
TREATMENT: INITIAL DIAGNOSIS; INITIATION OF MEDICAL MANAGEMENT; THERAPY FOR ACUTE COMPLICATIONS AND EXACERBATIONS

CODE: 510A
DIAGNOSIS: PERIPHERAL NERVE INJURY WITH OPEN WOUND
TREATMENT: NEUROPLASTY

CODE: 940A
DIAGNOSIS: REVERSIBLE CNS ABNORMALITIES DUE TO OTHER SYSTEMIC DISEASE
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT

CODE: 1A
DIAGNOSIS: SEVERE/MODERATE HEAD INJURY: HEMATOMA/EDEMA WITH LOSS OF CONSCIOUSNESS
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT; VENTILATION

CODE: 84A
DIAGNOSIS: SPINA BIFIDA
TREATMENT: SURGICAL MANAGEMENT

CODE: 941A
DIAGNOSIS: SPINAL CORD COMPRESSION, ISHAEMIA OR DEGENERATIVE DISEASE NOS
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT
CODE: 901A
DIAGNOSIS: STROKE - DUE TO HAEMORRHAGE, OR ISCHAEMIA
TREATMENT: MEDICAL MANAGEMENT; SURGERY

CODE: 28A
DIAGNOSIS: SUBARACHNOID AND INTRACRANIAL HEMORRHAGE/HEMATOMA; COMPRESSION OF BRAIN
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT

CODE: 305A
DIAGNOSIS: TETANUS
TREATMENT: MEDICAL MANAGEMENT; VENTILATION

CODE: 265A
DIAGNOSIS: TRANSIENT CEREBRAL ISCHEMIA; LIFE-THREATENING CEREBROVASCULAR CONDITIONS NOS
TREATMENT: EVALUATION; MEDICAL MANAGEMENT; SURGERY

CODE: 109A
DIAGNOSIS: VERTEBRAL DISLOCATIONS/FRACTURES, OPEN OR CLOSED WITH INJURY TO SPINAL CORD
TREATMENT: REPAIR/RECONSTRUCTION; MEDICAL MANAGEMENT; INPATIENT REHABILITATION UP TO 2 MONTHS

CODE: 684A
DIAGNOSIS: VIRAL MENINGITIS, ENCEPHALITIS, MYELITIS AND ENCEPHALOMYELITIS
TREATMENT: MEDICAL MANAGEMENT

EYE

CODE: 47B
DIAGNOSIS: ACUTE ORBITAL CELLULITIS
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT

CODE: 394B
DIAGNOSIS: ANGLE-CLOSURE GLAUCOMA
TREATMENT: IRIDECTOMY; LASER SURGERY; MEDICAL AND SURGICAL MANAGEMENT

CODE: 586B
DIAGNOSIS: BELL'S PALSY; EXPOSURE KERATOCONJUNCTIVITIS
TREATMENT: TARSORRHAPHY; MEDICAL AND SURGICAL MANAGEMENT

CODE: 950B
DIAGNOSIS: CANCER OF EYE & ORBIT - TREATABLE
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT, WHICH INCLUDES RADIATION THERAPY

CODE: 901B
DIAGNOSIS: CATARACT; APHAKIA
TREATMENT: EXTRACTION OF CATARACT; LENS IMPLANT

CODE: 911B
DIAGNOSIS: CORNEAL ULCER; SUPERFICIAL INJURY OF EYE AND ADNEXA
TREATMENT: CONJUNCTIVAL FLAP; MEDICAL MANAGEMENT

CODE: 405B
DIAGNOSIS: GLAUCOMA ASSOCIATED WITH DISORDERS OF THE LENS
TREATMENT: SURGICAL MANAGEMENT
CODE: 386B

DIAGNOSIS: HERPES ZOSTER & HERPES SIMPLEX WITH OPHTHALMIC COMPLICATIONS
TREATMENT: MEDICAL MANAGEMENT
CODE: 389B

DIAGNOSIS: HYPEHMA
TREATMENT: REMOVAL OF BLOOD CLOT; OBSERVATION
CODE: 485B

DIAGNOSIS: INFLAMMATION OF LACRIMAL PASSAGES
TREATMENT: INCISION; MEDICAL MANAGEMENT
CODE: 909B

DIAGNOSIS: OPEN WOUND OF EYEBALL AND OTHER EYE STRUCTURES
TREATMENT: MEDICAL AND SURGICAL MANAGEMENT
CODE: 407B

DIAGNOSIS: PRIMARY AND OPEN ANGLE GLAUCOMA WITH FAILED MEDICAL MANAGEMENT
TREATMENT: TRABECULECTOMY; OTHER SURGERY
CODE: 419B

DIAGNOSIS: PURULENT ENDOPHTHALMITIS
TREATMENT: VITRECTOMY
CODE: 922B

DIAGNOSIS: RETAINED INTRAOCULAR FOREIGN BODY
TREATMENT: SURGICAL MANAGEMENT
CODE: 904B

DIAGNOSIS: RETINAL DETACHMENT, TEAR AND OTHER RETINAL DISORDERS
TREATMENT: VITRECTOMY; LASER TREATMENT; OTHER SURGERY
CODE: 906B

DIAGNOSIS: RETINAL VASCULAR OCCLUSION; CENTRAL RETINAL VEIN OCCLUSION
TREATMENT: LASER SURGERY

Explanatory notes and definitions to Annexure A

1) Interventions shall be deemed hospital-based where they require:

- An overnight stay in hospital.
  or
- The use of an operating theatre together with the administration of a general or regional
  anaesthetic.
  or
- The application of other diagnostic or surgical procedures that carry a significant risk of death,
  and consequently require on-site resuscitation and/or surgical facilities.
  or
- The use of equipment, medications or medical professionals not generally found outside of
  hospitals.

2) Where the treatment component of a category in Annexure A is stated in general terms (i.e.
"medical management" or "surgical management", it should be interpreted as referring to
prevailing hospital-based medical or surgical diagnostic and treatment practice for the specified
condition. Where significant differences exist between Public and Private sector practices, the interpretation of the Prescribed Minimum Benefits should follow the predominant Public Hospital practice, as outlined in the relevant provincial or national public hospital clinical protocols, where these exist. Where clinical protocols do not exist, disputes should be settled by consultation with provincial health authorities to ascertain prevailing practice. The following interventions shall however be excluded from the generic medical / surgical management categories unless otherwise specified:

i) Tumour chemotherapy
ii) Tumour radiotherapy
iii) Bone marrow transplantation / rescue
iv) Mechanical ventilation
v) Hyperbaric oxygen therapy
vi) Organ transplantation
vii) Treatments, drugs or devices not yet registered by the relevant authority in the Republic of South Africa

3) "Treatable" cancers. In general, solid organ malignant tumours (excluding lymphomas) will be regarded as treatable where:

i) they involve only the organ of origin, and have not spread to adjacent organs
ii) there is no evidence of distant metastatic spread
iii) they have not, by means of compression, infarction, or other means, brought about irreversible and irreparable damage to the organ within which they originated (for example brain stem compression caused by a cerebral tumour) or another vital organ
iv) or, if points i. to iii. do not apply, there is a well demonstrated five year survival rate of greater than 10% for the given therapy for the condition concerned

4) Tumour chemotherapy with or without bone marrow transplantation and other indications for bone marrow transplantation.

These are included in the prescribed minimum benefits package only where Annexure A explicitly mentions such interventions. Management may include a first full course of chemotherapy (including, if indicated, induction, consolidation and myeloablative components). Where specified in terms of Annexure A, this may be followed by bone marrow transplantation/rescue, according to tumour type and prevailing practice. The following conditions would also apply to the bone marrow transplantation component of the prescribed minimum benefits:

i) the patient should be under 60 years of age
ii) allogeneic bone marrow transplantation should only be considered where there is an HLA matched family donor
iii) the patient should not have relapsed after a previous full course of chemotherapy
iv) (points i. and ii. shall also apply to bone marrow transplantation for non-malignant diseases)

5) Solid organ transplants. The prescribed minimum benefits Annexure includes solid organ transplants (liver, kidney and heart) only where these are provided by Public hospitals in accordance with Public sector protocols and subject to public sector waiting lists.

6) In certain cases, specified categories shall take precedence over others present. Such "overriding" categories are preceded by the sign "#" in their descriptions within Annexure A. For example, where someone is suffering from pneumonia and HIV, because the HIV category (168S) is an overriding category, the entitlements guaranteed by the 'pneumonia' category (903D) are overridden.

7) Hospital treatment where the diagnosis is uncertain and/or admission for diagnostic purposes. Urgent admission may be required where a diagnosis has not yet been made. Certain
categories of prescribed minimum benefits are described in terms of presenting symptoms, rather than diagnosis, and in these cases, inclusion within the prescribed minimum benefits may be assumed without a definitive diagnosis. In other cases, clinical evidence should be regarded as sufficient where this suggests the existence of a diagnosis that is included within the package. Medical schemes may, however, require confirmatory evidence of this diagnosis within a reasonable period of time, and where they consistently encounter difficulties with particular providers or provider networks, such problems should be brought to the attention of the Council for Medical Schemes for resolution.

8) NOS – not otherwise specified

Report of the independent auditors of ..... (name of administrator) to the Registrar of Medical Schemes in compliance with Regulation 25 under the Medical Schemes Act, 1998

1. We have reviewed the [proposed] system of internal financial control of ..... (name of administrator) /[that ..... (name of administrator) intends to implement from .....].

2. The [implementation and] maintenance of an adequate system of internal financial control [are] is the responsibility of the directors/partners/sole proprietor. Our responsibility is to report on whether or not, based on our review, anything has come to our attention that would indicate that the [proposed] system of internal financial control is not adequate for the size and complexity of the business of the medical scheme or medical schemes [to be] administered.

Scope

3. We conducted our review in accordance with the statement of South African Auditing Standards applicable to review engagements. This standard requires that we plan and perform the review to obtain moderate assurance with regard to the [proposed] system of internal financial control. A review is limited primarily to inquiries of personnel of the administrator, inspection of evidence and observation of, and enquiry about, the operation of the internal control procedures for a small number of transactions. [A review is limited primarily to inquiries of personnel of the administrator about the proposed operation of the system of internal financial control and inspection of related evidence.]
Inherent limitations

4. Because of the inherent limitations of a system of internal financial control, including concealment through collusion or forgery, it is possible that errors and irregularities may occur and not be detected.

A review is not designed to detect all weaknesses in the system of internal financial control as it is not performed continuously throughout the period and the tests performed are on a sample basis. [A review is not designed to detect all weaknesses in the proposed system of internal financial control.]

[As the proposed system of internal financial control has not yet been implemented, we do not provide any assurance as to whether or not the system will operate adequately.]

5. Any projections of the evaluation of the system of internal financial control to future periods is subject to the risk that the controls may become inadequate because of changes in conditions, or that the degree of compliance with them may deteriorate.

6. Also, a review does not provide all the evidence that would be required in an audit; thus the level of assurance provided is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

(b) Review opinion

7. Based on our review, nothing of significance has come to our attention that causes us to believe that the [proposed] system of internal financial control is not adequate for the size and complexity of the business of the medical scheme or schemes [to be] administered.

**Note:** In the case of a new administrator, i.e. where the system of internal financial control has not yet been implemented by the administrator, the text in the square brackets should be included in the report.
Report of the independent auditors of ..... (name of administrator) to the Registrar of Medical Schemes in compliance with Regulation 25 under the Medical Schemes Act, 1998.

A. Annual financial statements

1. We have audited the attached annual financial statements of ..... (name of administrator) ("the administrator"): set out on pages ... to ... for the year ended ..... The annual financial statements are the responsibility of the directors/partners/sole proprietor. Our responsibility is to express an opinion on these financial statements based on our audit.

Scope

2. We conducted our audit in accordance with statements of South African Auditing Standards. Those standards require that we plan and perform the audit to obtain reasonable assurance that the annual financial statements are free of material misstatement. An audit includes:

   2.1 examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements;

   2.2 assessing the accounting principles used and significant estimates made by management; and

   2.3 evaluating the overall financial statement presentation.

We believe that our audit provides a reasonable basis for our opinion.

Audit opinion

3. In our opinion the annual financial statements fairly present, in all material respects, the financial position of the administrator at ..... and the results of its operations and cash flows for the year then ended in accordance with generally accepted accounting practice and in the manner required by the Companies Act,
B. Consideration of the system of internal financial controls

4. In planning and performing the above-mentioned audit, we considered the system of internal financial control of the administrator in order to determine our audit procedures for the purpose of expressing our audit opinion on the annual financial statements, not to provide assurance on the system of the internal financial control.

5. The directors/partners/sole proprietor of ..... (name of the administrator) are/is responsible for establishing and maintaining an effective system of internal financial control. In fulfilling this responsibility, estimates and judgements by the directors/partners/sole proprietor are required to assess the expected benefits and related costs of internal financial control policies and procedures. Two of the objectives of a system of internal financial control are to provide the directors/partners/sole proprietor with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorised use or disposition and that transactions are executed in accordance with their/his/her authorisation and recorded properly to permit preparation of annual financial statements in conformity with generally accepted accounting practice.

6. Because of the inherent limitations of a system of internal financial control, it is possible that errors or irregularities may occur and not be detected. Furthermore, any projection of the evaluation of a system of internal financial control to future periods is subject to the risk that the procedures may become inadequate because of changes in circumstances, or that the degree of compliance with them may deteriorate.

7. Our consideration of the system of internal financial control would not necessarily disclose all matters in the system that might be material weaknesses. A material
weakness is a condition in which the design or operation of the specific internal financial control does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the annual financial statements being audited, may occur and not be detected within a timely period by employees in the normal performance of their assigned functions.

8. However, based on our consideration of the system of internal financial control for purposes of our audit, nothing of significance has come to our attention that causes us to believe that the financial record keeping and the system of internal financial control are not adequate for the size and complexity of the business the administrator is presently conducting. All changes to the system of internal financial control that came to our attention during the course of our audit have been recorded in writing.

9. This report is intended solely for the use of the Registrar of Medical Schemes and is not to be distributed to other parties.

Annexure D

(For completion on letterhead of Administrator)

Management representation letter to the Registrar of Medical Schemes in compliance with Regulation 25 under the Medical Schemes Act, 1998

This representation letter is provided in connection with the financial statements of ..... (name of the administrator) for the year ended ..... (date) to enable the Registrar to evaluate whether or not ..... (name of the administrator) has complied with the Medical Schemes Act and related regulations.

We confirm, to the best of our knowledge and belief, the following representations:

1. We had ..... (quantity) registered funds under our administration at the year-end.

2. The fidelity guarantee and professional indemnity insurance cover is adequate to cover the risks of losses due to fraud, dishonesty and negligence.

3. We deposited the moneys of the medical schemes under our administration in the bank accounts of the schemes on no later than the business day following the receipt of the schemes' moneys.

4. No changes in ownership, directors, members or shareholders having the effect of a de facto change of control took place during the year ended ..... (date), without the approval of the Registrar.

5. Administration agreements entered into with medical schemes during the year ended ..... are in writing and conform to regulation 18.

6. The following administration agreements were terminated during the year ended ..... (date) and in respect of them, regulation 19 have been complied with:

7. For the year ended ..... , we have maintained a register of documents of title in our safe custody as contemplated in regulation 24. Furthermore, all these assets are held in the names of the respective medical schemes.

8. We conducted the business in terms of the Act, the regulations, the agreements with medical schemes and the rules of these medical schemes.

9. The administration business is maintained in a financially sound condition as contemplated in regulation 22.

10. The system of internal control is adequate for the size and complexity of the business.

11. We believe that the business will continue in operational existence for the foreseeable future.
