NOTICE 54 OF 2003

BOARD ON TARIFFS AND TRADE**NOTICE OF FINAL DETERMINATION OF AN REVIEW INTO THE ANTI-DUMPING DUTY ON CARBON BLACK ORIGINATING IN OR IMPORTED FROM EGYPT**

The Board on Tariffs and Trade (the Board) gave public notice of its investigation into the review of the anti-dumping duty originating in or imported from Egypt in *Government Gazette* No.22414 dated 29 June 2001 (Notice No. of 1587). The scope of the investigation was published to cover the anti-dumping duty and the allegation of duty absorption only, therefore injury and causality were excluded.

In the final determination it was found that duty absorption took place between 1997/98 and 2000. However, the Board made a final recommendation that the existing anti-dumping duty of 15.7 per cent on carbon black originating in or imported from Egypt, classifiable under tariff subheading 28.03, be kept unchanged since there was a lack of imports.

The Petitioner requested that the anti dumping duties be extended for five years , but Article 11.3 of the Anti-Dumping Agreement provides that an anti-dumping duty may only remain in place for a maximum of 5 years since the imposition thereof or since the last review that covered both dumping and injury. As this review covered only dumping, the request was rejected.

The Board therefore made a final determination, as contained in its Report No 4189, and recommended that the existing anti-dumping duty on carbon black originating in or imported from Egypt, be kept unchanged. The recommendation was accepted by the Minister of Trade and Industry.

Enquiries may be directed to the investigating officers, Mr Jan Heukelman at telephone (012) 428-7721 or Mrs Selma Takács at (012) 428-7731, or at fax no. (012) 428-7736.

NOTICE 55 OF 2003

BOARD ON TARIFFS AND TRADE**SUNSET REVIEW OF THE ANTI-DUMPING DUTIES ON ALUMINIUM HOLLOWWARE ORIGINATING IN OR IMPORTED FROM THE ARAB REPUBLIC OF EGYPT (EGYPT) AND ORIGINATING IN THE PEOPLES REPUBLIC OF CHINA (PRC) AND IMPORTED FROM HONG KONG AND/OR THE PRC: FINAL DETERMINATION**

In accordance with the provisions in Article 11.3 of the World Trade Organisation Agreement on Implementation of Article VI of the General Agreement on Tariffs and Trade, any definitive anti-dumping duty shall be terminated on a date not later than five years from its imposition, unless the authorities determine, in a review initiated before that date on their own initiative or upon a duly substantiated request made by or on behalf of the domestic industry within a reasonable period of time prior to that date, that the expiry of the duty would be likely to lead to continuation or recurrence of dumping and injury.

On 05 February 2002, the Board on Tariffs and Trade (the Board) formally initiated a review of the anti-dumping duties on aluminum hollowware originating in or imported from Egypt and originating in the PRC and imported from Hong Kong and/or the PRC, through Notice No. 177 of *Government Gazette* No. 23092.

After considering comments from the interested parties submitted to the Board in respect of this review investigation, the Board made a final determination that the expiry of the duty was likely to lead to continuation or recurrence of dumping and material injury.

The Board therefore recommended to the Minister of Trade and Industry that the anti-dumping duties on aluminum hollowware originating in or imported from Egypt and originating in the PRC and imported from Hong Kong and/or

the PRC be maintained. The Board's recommendation was approved by the Minister of Trade and Industry.

Details of the Board's decision and reasons therefore are contained in the Board's Report No. 4195. A copy of the report is available on request.

Enquiries may be directed to the investigating officers, Mr E Tema at telephone (012) 428-7725 and Mr E Mogashoa at (012) 428-7734.

NOTICE 63 OF 2003**MINISTRY OF TRANSPORT****CALL FOR NOMINATIONS FOR MEMBERS OF THE BOARD OF THE ROAD ACCIDENT FUND**

The Road Accident Fund is a national public entity established for the purpose of paying compensation—in accordance with the provisions of the Road Accident Fund Act, 1996—for loss or damage wrongfully caused by the driving of motor vehicles within the Republic.

The Fund has a Board, whose function is to ensure that the Fund strives for the achievement of the objects described in the Act and exercise overall authority and control over the financial position, operation and management of the Fund. The Board serves for a period of three years and is accountable to the Minister of Transport. The term of office of the current Board expires on 1 June 2003.

A new Board should thus now be constituted. It is the intention and the expectation that the new Board will serve until 1 June 2006.

In terms of the Act, the Minister of Transport is required to appoint at least eight, but not more than twelve persons to hold office as members of the Board. Those members of the Board—

- may not be in full-time employment of any government; and
- should not have any direct or indirect interest in the statutory functions, duties and obligations of the Fund.

They must—

- each command extensive experience in one or more of the fields of insurance, finance, medical services provision, law, accounting and actuarial science, or in matters relating to disabled persons, road users, commuters' or consumers' interests and
- at all times act in the best interest of the Fund.

The Board of the Fund meets as often as the business of the Fund may require and has a fixed schedule of four meetings per annum. Members are remunerated for services rendered as members, and reimbursed for all reasonable expenses incurred in attending meetings of the Board.

Now, therefore, I, Abdullah Mohamed Omar, Minister of Transport, hereby in terms of section 10 (9) (a) (i) of the Road Accident Fund Act, 1996, call for the nominations of persons who comply with the above requirements.

The Minister will take these recommendations into account when appointing persons to the relevant positions on the Board.
