**NOTICE 659 OF 2011****DEPARTMENT OF ENVIRONMENTAL AFFAIRS****NATIONAL ENVIRONMENTAL MANAGEMENT: AIR QUALITY ACT, 2004  
(ACT NO. 39 OF 2004)**

I, Bomo Edith Edna Molewa, Minister of Water and Environmental Affairs, hereby give notice, in terms of section 18(4) read with section 57(1)(a) of the National Environmental Management: Air Quality Act, 2004 (Act No. 39 of 2004), of my intention to consider for approval the declaration of the expanded proposed Waterberg Priority Area Air Quality boundary incorporating Bojanala Platinum District in the North West Province.

I am satisfied that the ambient air quality within the proposed Waterberg Priority Area may exceed the national ambient air quality standards in the near future, that an "airshed" situation exists between the proposed Waterberg Priority Area and Bojanala Platinum District in the North West Province which may cause a significant negative impact on air quality in both areas, that the area requires specific national air quality management action to ensure that air pollution levels remain within the national ambient air quality standards and that the situation may contribute to air pollution across the Republic's boundaries (Botswana).

A description of the proposed expanded boundaries of the Waterberg Priority Area is set out in the Schedule attached hereto.

Members of the public are invited to submit written representations or comments to the Minister within 30 days of publication of the notice in the *Gazette*. All such representations or objections must be submitted in writing in the following manner:
