Department:
Government Printing Works
REPUBLIC OF SOUTH AFRICA

HIGH ALERT: SCAM WARNING!!!

TO ALL SUPPLIERS AND SERVICE PROVIDERS OF THE GOVERNMENT PRINTING WORKS

It has come to the attention of the *GOVERNMENT PRINTING WORKS* that there are certain unscrupulous companies and individuals who are defrauding unsuspecting businesses disguised as representatives of the *Government Printing Works (GPW)*.

The scam involves the fraudsters using the letterhead of *GPW* to send out fake tender bids to companies and requests to supply equipment and goods.

Although the contact person's name on the letter may be of an existing official, the contact details on the letter are not the same as the *Government Printing Works*. When searching on the Internet for the address of the company that has sent the fake tender document, the address does not exist.

The banking details are in a private name and not company name. Government will never ask you to deposit any funds for any business transaction. *GPW* has alerted the relevant law enforcement authorities to investigate this scam to protect legitimate businesses as well as the name of the organisation.

Example of e-mails these fraudsters are using:

PROCUREMENT@GPW-GOV.ORG

Should you suspect that you are a victim of a scam, you must urgently contact the police and inform the *GPW*.

GPW has an official email with the domain as @gpw.gov.za

Government e-mails DO NOT have org in their e-mail addresses. All of these fraudsters also use the same or very similar telephone numbers. Although such number with an area code 012 looks like a landline, it is not fixed to any property.

GPW will never send you an e-mail asking you to supply equipment and goods without a purchase/order number. *GPW* does not procure goods for another level of Government. The organisation will not be liable for actions that result in companies or individuals being resultant victims of such a scam.

Government Printing Works gives businesses the opportunity to supply goods and services through RFQ / Tendering process. In order to be eligible to bid to provide goods and services, suppliers must be registered on the National Treasury's Central Supplier Database (CSD). To be registered, they must meet all current legislative requirements (e.g. have a valid tax clearance certificate and be in good standing with the South African Revenue Services - SARS).

The tender process is managed through the Supply Chain Management (SCM) system of the department. SCM is highly regulated to minimise the risk of fraud, and to meet objectives which include value for money, open and effective competition, equitability, accountability, fair dealing, transparency and an ethical approach. Relevant legislation, regulations, policies, guidelines and instructions can be found on the tender's website.

Fake Tenders

National Treasury's CSD has launched the Government Order Scam campaign to combat fraudulent requests for quotes (RFQs). Such fraudulent requests have resulted in innocent companies losing money. We work hard at preventing and fighting fraud, but criminal activity is always a risk.

How tender scams work

There are many types of tender scams. Here are some of the more frequent scenarios:

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to a company to invite it to urgently supply goods. Shortly after the company has submitted its quote, it receives notification that it has won the tender. The company delivers the goods to someone who poses as an official or at a fake site. The Department has no idea of this transaction made in its name. The company is then never paid and suffers a loss.

OR

Fraudsters use what appears to be government department stationery with fictitious logos and contact details to send a fake RFQ to Company A to invite it to urgently supply goods. Typically, the tender specification is so unique that only Company B (a fictitious company created by the fraudster) can supply the goods in question.

Shortly after Company A has submitted its quote it receives notification that it has won the tender. Company A orders the goods and pays a deposit to the fictitious Company B. Once Company B receives the money, it disappears. Company A's money is stolen in the process.

Protect yourself from being scammed

- If you are registered on the supplier databases and you receive a request to tender or quote that seems to be from a government department, contact the department to confirm that the request is legitimate. Do not use the contact details on the tender document as these might be fraudulent.
- Compare tender details with those that appear in the Tender Bulletin, available online at www.gpwonline.co.za
- Make sure you familiarise yourself with how government procures goods and services. Visit the tender website for more information on how to tender.
- If you are uncomfortable about the request received, consider visiting the government department and/or the place of delivery and/or the service provider from whom you will be sourcing the goods.
- In the unlikely event that you are asked for a deposit to make a bid, contact the SCM unit of the department in question to ask whether this is in fact correct.

Designation of Retail Assist (Pty) Limited**1. Introduction**

- 1.1 The South African Reserve Bank (SARB) is empowered to designate a clearing system participant in terms of section 6(3)(a) of the National Payment System Act 78 of 1998, as amended (NPS Act). Such designation may be made if the designation is in the interest of the integrity, effectiveness, efficiency and/or safety of the national payment system (NPS).
- 1.2 The objective of this Designation Notice is to designate Retail Assist (Pty) Limited (Retail Assist) as a clearing system participant. The designation would enable Retail Assist to clear payment instructions in the manner contemplated in section 4(2)(d)(i) of the NPS Act.

2. Background of the proposed designated clearing system participant

- 2.1 Retail Assist is a public company, established and registered with the Companies and Intellectual Property Commission of South Africa (CIPC) in 2015. The business focus of Retail Assist supports the effectiveness and efficiency of the NPS.
- 2.2 Retail Assist proposes to acquire transactions for retailers and clear these transactions through relevant card Payment Clearing House System Operators (PCH SOs).

3. Designation

3.1 The SARB has considered the applicable provisions of the NPS Act, and deems it to be in the interest of the integrity, effectiveness, efficiency and safety of the NPS to designate Retail Assist as a clearing system participant.

3.2 Therefore, I, Mr E L Kganyago, Governor of the SARB, hereby, with effect from 1 June 2020:

3.2.1 designate Retail Assist as a clearing system participant in terms of section 6(3)(a) of the NPS Act, subject to the conditions listed under heading 4 below; and

3.2.2 confirm, in terms of section 6(3)(a)(ii) of the NPS Act, that the SARB's settlement system participant associated with the designated clearing system participant is the Standard Bank of South Africa Limited (Standard Bank).

4. Conditions

4.1 The aforementioned designation is subject to Retail Assist adhering to the following conditions within the time frames to be determined by the SARB:

4.1.1 Become a member of VISA and MasterCard.

4.1.2 Comply with the entrance and participation criteria to become a member of the payment system management body (PSMB), as referred to in section 3 of the NPS Act, and the relevant structures of the PSMB. Furthermore, comply with any other criteria set by the PSMB for clearing system participants.

4.1.3 Enter into a mentorship and sponsorship agreement with Standard Bank, and comply with any requirements set by Standard Bank for sponsorship.

4.1.4 Obtain written approval from Standard Bank, which written approval shall not be unreasonably withheld, prior to participating in a Payment Clearing House

(PCH) that is not set out in paragraph 4.1.5 below. Provided that written approval is granted, Retail Assist may then follow the normal process for participation in a PCH.

- 4.1.5 Participate in the Debit Card, Credit Card, American Express Card, Diners Club Card and Fleet Card PCHs, subject to the relevant PCH agreements and clearing rules. Furthermore, Retail Assist is subject to interchange rates applicable to cards, as determined by the SARB.
- 4.1.6 Do not issue any payment instruments, do not acquire any other transactions and do not sponsor any third parties in any PCH without prior approval from the SARB and the PSMB.
- 4.1.7 Comply with applicable requirements and any other criteria agreed to between Retail Assist and Standard Bank, and as specified in the sponsorship agreement concluded between said parties.
- 4.1.8 Prior to commencing operation, register as a third-party payment provider for the purpose of providing beneficiary payment services in terms of the Directive for Conduct within the National Payment System in Respect of Payments to Third Persons (Directive 1 of 2007).
- 4.2 The conditions listed under paragraph 4 apply exclusively to the designation of Retail Assist and may be varied or revoked, and new conditions may be imposed, by the SARB by way of a notice in the *Government Gazette*.

GUIDELINE FOR THE REMOVAL OF PHARMACY REGISTRATION/ RECORDING AS A RESULT OF NON-COMPLIANCE WITH GOOD PHARMACY PRACTICE AND OTHER PHARMACY LEGISLATION

1. TITLE

Guideline for the removal of pharmacy registration/recording as a result of non-compliance with good pharmacy practice and other pharmacy legislation.

2. BACKGROUND

The South African Pharmacy Council (the Council) in terms of Section 35A of the Pharmacy Act, 53 of 1974 has the legislative mandate to control pharmacy practice within South Africa. In this regard the Council has published good pharmacy practice standards as contained in the *Rules relating to good pharmacy practice* (GPP). In doing so the Council requires that all responsible pharmacists, pharmacy support personnel and pharmacy owners ensure that the pharmaceutical services they provide are of the highest quality and comply with such good pharmacy practice standards.

The Council has, in terms of Section 38A of the Pharmacy Act, appointed inspection officers to inspect pharmacies for the purpose of monitoring compliance with GPP, the approval of pharmacy premises for the training of pharmacy support personnel and pharmacist interns and for purposes of investigation of complaints received alleging misconduct or unprofessional conduct.

Applications for pharmacy premises licences are made to the Director-General: Health (DG), in line with Section 22 of the Pharmacy Act. The Council conducts a desktop evaluation for compliance with GPP and then informs the DG whether the application is deemed to be compliant or non-compliant to GPP. It has been established that some pharmacies, at the first inspection after the recording of a new pharmacy licence, are non-compliant to critical non-negotiable questions and/or have critical GPP deficiencies. There are also pharmacies which continuously fail to comply with GPP and/or fail to comply with the requirement that, in terms of Section 22 of the Pharmacy Act, the pharmacy must have a registered responsible pharmacist and must be under the continuous supervision of a pharmacist.

In such cases the public is exposed to the risk of compromised, and/or poor-quality pharmaceutical services. It is the duty of the Council to protect, promote and maintain the health, safety and wellbeing of patients and the public and to ensure that where such services are compromised, such pharmacies are restricted from providing pharmaceutical services.

3. PURPOSE OF THE GUIDELINE

The purpose of this guideline is to outline the conditions under which the Council may remove the registration/recording of the pharmacy, in terms of the *Regulations relating to the registration of persons and the maintenance of registers* and restoration of registration/recording process.

This guideline therefore provides-

- (a) the process for the identification of pharmacies that are registered/recorded with Council, or alternatively pharmacies that are deemed to be registered/recorded, that no longer meet the registration/recording requirements;
- (b) the criteria for removal of the registration/recording of a pharmacy, under certain circumstances, when such a pharmacy no longer meets the requirements for registration/recording;
- (c) the process for the removal of the registration/recording of a pharmacy;
- (d) the circumstances and criteria under which the registration/recording of the pharmacy may be restored; and
- (e) the criteria and process to request the DG to cancel or suspend the pharmacy licence in terms of Section 22 (7) of the Pharmacy Act.

The guideline is developed to ensure that the removal of the registration/recording of the pharmacy is for the sole purpose of protecting the public of South Africa, and the actions of Council are consistent with the criteria for administrative action as prescribed in the Promotion of Administrative Justice Act, 3 of 2000.

Removal of the registration/recording of a pharmacy will mean the pharmacy may not continue to operate and must be closed for business.

However, if the Registrar is not satisfied that the applicant meets all the requirements for registration, the Registrar may refuse to register the pharmacy;

5.2.4 Regulation 72 makes provision for the removal of the registration of a pharmacy:

- (a) if the pharmacy does not comply with any of the conditions of registration;
- (b) if the responsible pharmacist fails to perform the duties of a responsible pharmacist; and
- (c) if the pharmacy fails to comply with good pharmacy practice.

- (e) the pharmacy is operating from a facility/location without a valid licence;

In terms of this guideline, and taking into consideration Regulation 72 of the *Regulations relating to the registration of persons and the maintenance of registers*:

- (a) the Council may direct the Registrar to give written notice to the owner and the responsible pharmacist (if there is one registered) of the Council's intention to remove the registration of the pharmacy. The pharmacy owner shall be the person identified as the owner as per the register of owners held by the Registrar in terms of Section 14 of the Pharmacy Act, unless it can be shown that an application for the change of ownership of the pharmacy has been lodged with the DG, which application has not yet been approved;
- (b) the pharmacy owner, or a person acting on behalf of the owner, must be afforded the opportunity to furnish the Council with written reasons, within 21 working days, as to why the pharmacy registration should not be removed;
- (c) once the Council is in receipt of the written reasons submitted by the owner or a person acting on behalf of the owner, as to why the pharmacy registration should not be removed, the Council shall review such reasons and make a decision whether to remove the registration of the pharmacy, alternatively to allow the pharmacy to remain registered subject to terms and conditions the Council may deem appropriate;

- (d) once the removal of the registration/recording of the pharmacy has been approved by Council:
- (i) the owner, or person acting on behalf of the owner shall be notified of the removal of the registration/recording and shall be required to cease operations of the pharmacy as of the date of such notification;
 - (ii) the registration/recording certificate of the pharmacy shall be cancelled as from the date of the abovementioned notification, and the owner shall be required to return such certificate to the Council;
 - (iii) the Board of Healthcare Funders (BHF), or any alternative body, that is authorised and responsible for the issuing of practice code numbers in terms of the Medical Schemes Act, 131 of 1998, shall be notified by Council that the registration/recording of the pharmacy has been removed;
 - (iv) in the event that the pharmacy in question is a manufacturing pharmacy or a wholesale pharmacy, the South African Health Products Regulatory Authority (SAHPRA) shall be notified, by the Registrar, that the registration/recording of the pharmacy has been removed;
 - (v) other relevant stakeholders, such as suppliers and distributors of medicines shall be notified, by the Registrar, that the registration/recording of the pharmacy has been removed;
 - (vi) the pharmacy owner and/or the responsible pharmacist shall be handed over to the Professional Conduct Unit of the Office of the Registrar for investigation in terms of Chapter V of the Pharmacy Act, should this process not already have commenced;
 - (vii) the Registrar shall notify the DG of the removal of the registration/recording of the pharmacy and shall request that the DG withdraw the pharmacy licence in terms of Regulation 9 of the *Regulations relating to the ownership and licencing of pharmacies*; and
 - (viii) Council shall conduct an inspection within 3 months of the removal of the registration/recording of the pharmacy.
- (e) in the event of the pharmacy continuing to operate as a pharmacy, despite such removal of the registration/recording of the pharmacy, the Registrar shall inform SAHPRA and the necessary law enforcement agencies for possible investigation and criminal prosecution where necessary.

8. RESTORATION OF THE REGISTRATION/RECORDING OF A PHARMACY

- (a) the Registrar shall consider an application for restoration of the registration/recording of the pharmacy should the pharmacy owner, or a person acting on behalf of the owner, be able to demonstrate that:

- (i) there is a responsible pharmacist registered with the Council and that the pharmacy is being operated under the continuous supervision of such pharmacist;
 - (ii) the critical GPP deficiencies as previously identified by way of inspections have been rectified to the satisfaction of the Registrar;
 - (iii) only in the event of a removal following a new pharmacy inspection, the owner, or a person acting on behalf of the owner can provide an improvement plan showing how such critical GPP deficiencies shall be rectified within 21 working days; and
 - (iv) all outstanding pharmacy fees and restoration fees are paid.
- (b) should the Registrar be of the opinion that the registration/recording of the pharmacy be restored, the Registrar shall restore such registration/recording subject to:
- (i) the licence not having been withdrawn by the DG; and
 - (ii) whatever terms and conditions the Registrar deems appropriate for such restoration.
- (c) on restoration of the registration/recording of the pharmacy, the Registrar shall provide the relevant certificate of registration/recording of the pharmacy.
- (d) provided that if the Registrar is not satisfied that the registration/recording of the pharmacy, should be restored to the relevant register, the Registrar must submit the application to the council for a decision.

9. APPEAL PROCESS

The pharmacy owner may, in terms of Section 24 of the Pharmacy Act read together with Chapter XII of the *Regulations relating to the registration of persons and the maintenance of registers*, appeal the decision of the Council to remove the registration/recording of the pharmacy as a result of non-compliance with GPP and other pharmacy legislation as per this guideline.

In terms of Regulation 89 of the *Regulations relating to the registration of persons and the maintenance of registers*, if an appeal has been properly noted, the decision appealed against and any execution thereof shall be suspended pending the outcome of the appeal, unless the appeal committee, upon the urgent motion of the Council or the Registrar, is, on the strength of *prima facie* proof, of the opinion that it is in the public interest that a temporary suspension order should be granted and imposed pending the outcome of the appeal.
