GAZETTE NOTICE No. 885 OF 2013 [4871922

The Zambia Information and Communication Technology Authority

For the Determination of Relevant Products Markets and the Existence of Dominant Position Amongst Licensed Operators in the Electronic Communications Industry

Notice

THIS NOTICE confirms the determination by ZICTA that certain holders of licences ("licences") issued by ZICTA are holding a dominant position in relevant electronic communications markets. In accordance with competition procedure of determining the relevant product market in electronic communications industry in Zambia and share of supply threshold for establishing existence of dominant position as set out in the Competition Guidelines of 2010 issued by ZICTA pursuant to the Information and Communication Technologies Act, and Section 15 of Competition and Consumer Protection Act 2010, by this Notice ZICTA hereby gives notice of the determination of the following licences as holding a dominant position in the relevant markets in the electronic communications industry specified against its name below:

Table with 3 columns: Name of Licencee, Market Distribution Level, Relevant Product Market. Lists various operators like Airtel Zambia, MTN Zambia, Zamtel and their respective market types.

The above determination is based on the competition assessment of the Zambian telecommunications sector based on the ICT indicators that ZICTA collected from licensed operators covering a period between 1st January, 2013 and 30th September, 2013. The circumstances and analysis supporting the determination of dominance in the relevant markets are based on international best practices of assessing competition levels in markets.

All terms and expressions defined in the Information and Communication Technologies and the Competition and Consumer Protection Acts as well as the Competition Guidelines shall have the same meaning when used herein.

By Order of Authority.
