## REGISTER OF ENGINEERING ORGANISATIONS

The Engineering Institution of Zambia through Engineering Registration Board has approved and issued the following Organisations 2015 Practising Certificates. The Practising Certificates are valid up to 31st December 2015. Please note that names of Engineering Organisations that registered or renewed their Practising Certificates after 31<sup>st</sup> March, 2015 are not appearing in this notice but will appear in the next publication of the Gazette Notice in July.

A registered Engineering Organisation is permitted to practise engineering in Zambia and is entitled to use the title 'Registered Engineering Organisation' or 'R.Eng.O'. The Engineering Institution of Zambia Act No. 17 of 2010, PROHIBITS any Engineering Organisation from practising engineering or be engaged in providing engineering services WITHOUT a valid Practising Certificate. To this effect, those Engineering Organisations who have not yet registered with the Institution for their practising certificates for 2015 should take this as Official Notification, to avoid any inconvenience. The public is further advised to only procure engineering services and/or products from duly registered engineering organisations.

ENG H. MWALE FEIZ, RENG,  
Registrar and Chief Executive Officer,  
Engineering Institution of Zambia
