The Information and Communication Technologies Act No. 15 of 2009
(Section 54(6))

A Declaration Relating to Procedure of Assignment of Scarce Resources

THE Zambia Information and Communications Technology Authority [herein after called “the Authority”] having had regard to the availability as well as both actual and likely demand of the scarce resources listed in the schedule hereto, considers that the assignment of the said scarce resources accompanying relevant licences should be subject to a restricted granting procedure.

PURSUANT to Section 54(6) of the Information and Communication Technologies Act No. 15 of 2009, the Authority hereby declares that the scarce resources listed in the schedule hereto will be assigned through a restricted granting procedure which may, among others, include the following main features:

- 1. Only Licensees in possession of a Network (International Market Segment) licence qualify to participate in the process for the 800MHz band;
- 2. Only Licensees in possession of a Network (International Market Segment) licence and a Network (National) Licence qualify to participate in the process for the 2600MHz band;
- 3. Determination by the Authority of the reserve price applicable to the scarce resources;
- 4. Advertisement by the Authority of a Request for Applications (RFA) with prospective assignees required to pay a non- refundable application fee as indicated in the RFA;
- 5. Requirement by prospective assignees of the scarce resources which are listed in the schedule to submit to the Authority technical, financial and related proposals as shall be prescribed in the RFA;
- 6. Evaluation, by the Authority, of proposals received from prospective assignees for purposes of determining whether or not the prospective assignees have met the set criteria;
- 7. Determination of qualifying proposals by the Authority; and
- 8. Assignment, by the Authority, of the scarce resources to qualifying licensees upon meeting any other applicable conditions indicated in the RFA.
