ZIMBABWE BANKING CORPORATION LIMITED (registered commercial bank)

Notice to Shareholders

NOTICE is hereby given that an extraordinary general meeting of shareholders will be held in the board-room, Ninth Floor, Zimbabank House, 46 Speke Avenue, Harare, at 11 a.m. on Thursday, the 22nd July, 1982.

Shareholders will have observed from the 1981 annual report of the company that the consolidated reserves and retained profits at the 30th September, 1981, have been built up to a figure of \$14.8 million, whilst the issued share capital is just over \$7.4 million. In addition, the book values of the company's fixed assets have not reflected their true values under current circumstances in Zimbabwe. Accordingly, these assets have been professionally revalued and the resultant net surplus of \$4.4 million has been placed to capital reserves.

The consolidated reserves and retained profit are now standing at \$19.2 million which are considered out of proportion to the issued share capital. To achieve a more acceptable and traditional ratio of capital to reserves, as well as to improve the marketability of the shares, your directors propose to capitalize part of the reserves by an issue to shareholders, registered in the books of the company at the close of business on Friday, the 6th August, 1982, of 70 new shares for every 100 existing shares held. Fractions arising from the proposed issue will be ignored.

To enable such an issue to be implemented, an increase in the authorized share capital will be necessary, and shareholders will note, from the resolution detailed below, that it is proposed to increase the capital from \$10 million to \$20 million, which will also provide for possible future issues.

Shareholders will appreciate that, resulting from the increase in the number of shares in issue, the rate of future dividends will reduce but the percentage yield on the shareholders' cost of investment will not be affected.

Application has been made to the Zimbabwe Stock Exchange for a listing of not more than 5 184 000 new shares from Monday, the 9th August, 1982, which shares, when issued will be entitled to all future dividends.

Shareholders are therefore requested to consider and if deemed advisable, to pass at the extraordinary general meeting to be held on the 22nd July, 1982, with or without modification the following resolutions:

1. *As a special resolution:*

That, subject to the approval of the Registrar of Banks and Financial Institutions, the authorized share capital of the company be, and it is hereby, increased from ten million dollars (\$10 000 000), divided into ten million (10 000 000) ordinary shares of the nominal value of one dollar (\$1) each, to Twenty Million Dollars (\$20 000 000) divided into Twenty Million (20 000 000) ordinary shares of the nominal value of one dollar (\$1) each, by the creation of a further ten million (10 000 000) ordinary shares of the nominal value of one dollar (\$1) each, such shares to rank *pari passu* in all respects with existing shares.

2. *As an ordinary resolution:*

That, subject to the approval of the Registrar of Banks and Financial Institutions, the Board of Directors be, and it is hereby, authorized and empowered to issue, by way of a capitalization issue from the company's reserves, up to 5 184 000 (five million one hundred and eighty-four thousand) shares of the unissued share capital of the company, and to allot these shares to the members of the company registered in the books of the company on Friday, the 6th August, 1982, in the proportion of seventy (70) new shares for every hundred (100) shares held by them, respectively, and to do all that is necessary to give effect to this resolution, subject to the approval of the Zimbabwe Stock Exchange.

The position of capital and consolidated reserves following the adoption of these resolutions would be as follows:

	Before	After
Authorized capital	\$10 000 000	\$20 000 000
Issued capital	\$ 7 405 000	\$12 589 000
Reserves	\$18 698 000	\$13 514 000
Retained profit	\$ 474 000	\$ 474 000
Total shareholders' equity	\$26 577 000	\$26 577 000

The transfer-register of the company will be closed from the 17th July, 1982 to 22nd July, 1982, both dates inclusive and, subject to members having approved the above resolutions, from the 7th August, 1982, to the 14th August, 1982, both dates inclusive.

In terms of the Companies Act [Chapter 190], a member entitled to attend and vote at a meeting is entitled to appoint a proxy to attend and vote on a poll and speak in his stead. A proxy need not be a member of the company.

By order of the board.—C. G. Tracey, chairman; R. C. Lewis, Secretary.

It is hereby notified, for general information, that, owing to the advent of Heroes' Days on Wednesday and Thursday, the 11th and 12th August, 1982, all copy for the *Gazette* to be published on Friday, the 13th August, 1982, must reach the Department of Printing and Stationery not later than 11 a.m. on Wednesday, the 4th August, 1982.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and Subscription Rate

Charges

Notices published in the normal columns: \$2 per centimetre or part thereof single column. Taking the depth of such matter, normally spaced, approximately 25 words occupy one centimetre; but this can only be a rough guide, as a heading may occupy two centimetres, and certain notices unavoidably contain white space, which must be included in the chargeable depth.

Notices which have to appear in tabular form across the full width of the page, such as lost insurance policies, deceased estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 303], changes of companies' names, et cetera: \$5 per entry.

Except in the case of approved accounts, remittances must accompany all copy for advertisements. Failing this, copy will be returned with an assessment of charges.

Times of closing

The *Gazette* closes for the receipt of copy for all notices to be published in the normal columns, and for statutory instruments, at 11 a.m. on the Monday preceding the Friday of publication.

Copy for all notices to be set in tabular form must be received by 11 a.m. on the Friday preceding the Friday of publication.

Any copy which is received after the respective closing times will automatically be held over for insertion in the *Gazette* of the following week, in which case no responsibility can be accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are varied, and such variations are notified in the *Gazette* in advance.

All copy must be addressed to the Department of Printing and Stationery, and either posted to P.O. Box 8062, Causeway, or delivered direct to the department, in Gordon Avenue (between Sixth Street and Epton Street), Harare. Envelopes should be marked. *Gazette copy—urgent.*

Regular advertisers and subscribers are requested to advise immediately of any change of address.

Subscription rate

The annual subscription rate for the *Gazette* is Z\$14, payable, in advance, to the Controller of Printing and Stationery, and may commence with the first issue of any month.

GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- the Manual of Style for the Drafting and Preparation of Copy, published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangement, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and half spacing between the lines.

(2) Any corrections or alterations made by the originator must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7a, 7b, 8, et cetera.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of typing on A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

(a) the work involved is of a straightforward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;

(b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted *exactly* as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

(a) the name and address of the advertiser; and

(b) the debtor's code-number, if any; and

(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice, without charge to the ministry or department concerned, subject to the following conditions—

(a) that such error is reported to the editor within three months from the date of publication; and

(b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and

(c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting, and pay for such notice to be published.

(3) For the removal of doubt—

(a) a typographical error is made by a typographer;

(b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

SHERIFF'S SALES

Conditions of sale

1. The sale is conducted in terms of the rules of the High Court, which provide that it shall be without reserve but subject to the condition that the Sheriff requires to be satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property.
2. After the auction, a report on the bidding and on the highest price offered, together with any other relevant information relating to the sale, will be forwarded to the Sheriff, who, if satisfied that the highest price offered is reasonable, having regard to the circumstances of time and place and the state of the property, will declare the highest bidder to be the purchaser.
3. In terms of the rules of court, any person having an interest in the sale may, within seven days of the Sheriff having declared the highest bidder to be the purchaser, apply to the High Court to have it set aside on the grounds that the sale was improperly conducted or the property was sold for an unreasonably low sum, or any other good ground.
4. In the event of no application being made within the said period of seven days, the Sheriff shall confirm the sale.
5. During the auction, should any dispute arise as to any bid, the property will be put up for sale again.
6. The right is reserved to the auctioneer of regulating or refusing any bid.
7. The sale shall be for cash and, in addition, the purchaser shall pay—
 - (a) the auctioneer's commission; and
 - (b) the costs of transfer, including conveyancer's charges, stamp-duty and any other fees; and
 - (c) all arrear rates and charges, and any other expenses necessary to complete the transfer.
8. Immediately after conclusion of the auction, the highest bidder shall, unless other arrangements are made with the auctioneer, deposit with the auctioneer an amount sufficient to cover the auctioneer's commission, and either—
 - (a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his bona fides and ability to meet his obligations; or
 - (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.
9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.
10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.
11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or fails to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.
12. The property is sold as represented by the title-deeds, the Sheriff not holding himself liable for any deficiency whatsoever, and renouncing all excess; and the Sheriff does not hold himself responsible for the determination of the boundaries and beacons, which shall be the responsibility of the purchaser.
13. The property shall be at the risk and profit of the purchaser from the date upon which the Sheriff confirms the sale and the Sheriff gives no warranty of vacant possession.
14. The highest bidder may not withdraw his bid in terms of these conditions of sale prior to the date of confirmation of the sale or rejection of his offer by the Sheriff.
