Submission of Copy for Application for the Issue of Liquor Licences

It is hereby notified, for general information, that due to an increase in the number of applicants, throughout the country, for Liquor Licences and the subsequent publication in the Gazette, applicants are advised to ensure that their copy has been accepted prior to fixing dates for simultaneous publication in both the Gazette and any newspaper in the country.

While every effort will be made to take in what we can in the weekly issue, in respect of applications for Liquor Licences only, no responsibility will be accepted by the Department of Printing and Stationery if—

(b) copy is automatically held over for insertion in the Gazette of the following week; and

(b) publication on specified dates are affected; because the production of the weekly issue of the Gazette operates to a tight schedule resulting in programming printing work-flow.

L. C. TAKAWIRA,
(Editor).

Department of Printing and Stationery,
George Silundika Avenue (between Sixth Street and Epton Street) Harare (P.O. Box 8062, Causeway).

GOVERNMENT GAZETTE

Conditions for Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

(a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General’s Circular I of 1978); and

(b) the Manual of Style for the Drafting and Preparation of Copy published by the Department of Printing and Stationery;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, “copy” means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader’s marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 5, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in Arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance, 7, 7b, 8, ex cetera.

4. Photographic copy or copy produced on a duplicating-machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

(a) exceed 10 pages of double-spaced typing on size A4 paper; or

(b) contain tabular or other matter which involves complicated setting;

it will be classed as “lengthy” copy, and will re required to be submitted not less than 21 days before the date of closing for the Gazette in which it is to be published.

(2) Lengthy copy may be accepted at least 21 days’ notice if—

(a) the work involved is of a straightforward and non-tabular nature; and

(b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

(a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
7. Copy must not be submitted as part of a letter or a
requisition. It must appear on a separate sheet of paper, on
which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in
the Gazette, copy must be drafted exactly as it is to appear.
If printed forms for any such notices are unavailable,
advertisers must prepare their own forms. While it is not
necessary that the headings of the gazette columns be included
in the box-headings, the box-headings must be there, and,
where applicable, the number of the form; for example,
"Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision
of subsection (2) of section 5 does not apply.

9. Copy for all advertisements, whether sent by post or
delivered by hand, must be accompanied by a requisition or
a letter which clearly sets out—
(a) the name and address of the advertiser; and
(b) the debtor’s code number, if any; and
(c) the required date or dates of publication.

10. (1) If a typographical error occurs in the Gazette, it is
rectified as soon as possible by a correcting note without
waiting for a requisition or a letter to the ministry or department concerned, subject to
the following conditions—
(a) that such error is reported to the editor within three
months from the date of publication; and
(b) that the relevant copy, upon re-examination, is
proven to be abundantly clear; and
(c) that the correction of such error is legally necessary;

(2) If a drafting error is not detected before publication,
the originating ministry or department is required to draft its
own correct notice, take it to the Attorney-General for
vetting and pay for such notice to be published.

(3) For the removal of doubt—
(a) a typographical error is made by a typographer;
and
(b) a typist’s error is classed as a drafting error by
reason of the fact that the officer responsible for
drafting failed to check the typist’s work.

GOVERNMENT GAZETTE

Authorized Scale of Charges, Times of Closing and

NOTICES published in the normal columns: $14 per centi-
metre or part thereof single column. Taking the depth of such
matter, normally included approximately 25 words occupy one

may occupy two centimetres, and certain notices unavoidably
contain white space, which must be included in the chargeable
depth.

Notices which have to appear in tabular form across the full
width of the page, such as lost insurance policies, deceased
estates, insolvent estates, company liquidations, notices in terms of the Insolvency Act [Chapter 305], changes of com-
panies’ names et cetera: $32 per entry.

Notices of intention to alienate a business or the goodwill
of a business or any goods or property forming part of a busi-
ess, otherwise than in the ordinary course of business shall
cost $180 for the notice, but not for the gazette publication.

accompany all copy of advertisements, failing this, copy will
be returned with an assessment of charges.

be published in the normal columns, and for statutory instru-
ments at 11 a.m. on the Monday preceding the Friday of
publication.

Copy for all notices to be set in tabular form must be recei-
ted by 11 a.m. on the Friday preceding the Friday of
publication.

Any copy which is received after the respective closing-times
will automatically be held over for insertion in the Gazette
of the following week, in which case no responsibility can be
accepted if the purport of the notice is thereby nullified.

When public holidays occur, the normal closing-times are
varied, and such variations are notified in the Gazette in
advance.

All copy must be addressed to the Department of Printing
and Stationery, and either posted to P.O. Box 8062, Causeway,

   (a) advise the Commissioner appointed by the Sheriff, attending the sale, of the manner in which he intends to make payment of the purchase-price and other costs and charges in terms of these conditions, and satisfy the Commissioner as to his means and ability to meet his obligations; or
   (b) effect payment to the Commissioner of the whole of the purchase-price in cash or by cheque or bank draft drawn to the order of the Sheriff.
9. The purchase-money, if not paid in full to the Commissioner at the conclusion of the auction, shall be paid on or before the registration of the transfer of the property into the name of the purchaser, unless the Sheriff approves other arrangements for discharging the amount due by the purchaser.

10. The purchaser shall be liable to pay interest at the rate of nine per cent. per annum in respect of any unpaid balance of the purchase-price, with effect from seven days after the date of confirmation of the sale by the Sheriff.

11. If the purchaser fails to make payment of the purchase-price and other costs and charges in terms of these conditions of sale, or falls to comply with any conditions of the sale contained herein, the Sheriff shall have the right to apply to a judge of the High Court to have the sale cancelled, and to hold the purchaser liable for any loss or damages sustained, or to employ any other remedy which he may have. In the event of the sale being cancelled, the purchaser shall not be entitled to any increase which the property may realize at a subsequent sale.
