REGIONAL, TOWN AND COUNTRY PLANNING ACT,
[CHAPTER 29:12]

Notice of Local Planning Authority's Decision on Tynwald Local Development Plan No. 24/2

IT is hereby notified, in terms of subsection (4) of section 19 of the Regional, Town and Country Planning Act [Chapter 29:12], as read with section 23 of the Regional, Town and Country Planning (Master and Local Plans) Regulations, 1977, that the City of Harare has approved the amendment of Tynwald Local Development Plan No. 24/2.

A copy of the approved Local Development Plan is on public exhibition at Cleveland House, Room 216, Second Floor, at the corner of Leopold Takawira Street and Agostino Neto Avenue, Mabelreign District office (203, Sherwood Drive, Mabelreign) from Friday the 11th of March, 2022 to Friday the 29th of April, 2022 on the following days and at the following times:

Monday	0815 hours–1245 hours	1415 hours–1545 hours
Tuesday	0815 hours–1245 hours	1415 hours–1545 hours
Wednesday	0815 hours–1245 hours	1415 hours–1545 hours

Thursday 0815 hours–1245 hours 1415 hours–1545 hours
Friday 0815 hours–1245 hours 1415 hours–1545 hours

The Local Development Plan becomes operative on the 29th April, 2022.

But, if any person is aggrieved by the plan and desires to question its validity on the grounds that it is ultra vires the powers conferred by Part IV of the Act, or that any requirements of Part IV of, or of any regulations made in terms of, the Act has not been complied with in relation to the approval of the plan, he/she may, not later than the date specified above, make an application to the General Division of the High Court in terms of section 83 of the Act.

The Approved Local Development Plan is concerned with the rezoning a portion of land known as Lot 2 of Tynwald Township from Employment Corridor, Light and Service Industry Zone, to mixed-use development. The mixed-use development comprises of residential, commercial, service industry, institutional, petrol filling station and open spaces.

The study area spans the Bulawayo Road, which dissects the site in an east-west direction separating Tynwald North and South. Lomagundi Road and Harare Drive are major regional connectors, which borders the planning area to the north and north-east Dzivarasekwa Marbelreign and Tynwald area. The National Railway line passes through the centre of Tynwald from the south to the north to connect to the Northwestern provinces of Zimbabwe. The planning area is in close proximity with the Charles Prince Airport, which gives it a unique placement in terms of regional factors influencing development and land use. The planning area is well served with access roads, which give Tynwald a clearly structured road hierarchy.—City of Harare. 461356f22

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the *Gazette* itself and for subsidiary legislation issued as supplements to the *Gazette*.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more

sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *etcetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting; it will be classed as "lengthy" copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days' notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, "Insolvency Regulations—Form 3".

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor's code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist's error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist's work.

GOVERNMENT GAZETTE

Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the "Conditions for Acceptance of Copy", which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
