General Notice 1157 of 2024.

COMPETITION ACT [CHAPTER 14:28]

Notice of an Investigation into Alleged Restrictive Practices in the Medical Sector by Cellmed Health Medical Fund

It is hereby notified, in terms of section 28 of the Competition Act [Chapter 14:28] ("the Act"), that the Competition and Tariff Commission ("the Commission") has commenced an investigation into an alleged restrictive practice by Cellmed Health Medical Fund. section 28 of the Act empowers the Commission to undertake an investigation into any restrictive practice, as defined in terms of section 2 of the Act, which the Commission has reason to believe exists or may come into existence.

It is alleged that Cellmed Health Medical Fund ("Cellmed") deregistered some healthcare service providers from the New Health 263 direct payment system resulting in Cellmed not honouring its members' claims after receiving medical services from any of the deregistered service providers. It is further alleged that the conduct by Cellmed has created an unfair playing field amongst healthcare service providers as Cellmed members are indirectly compelled to seek medical services from the few preferred healthcare service providers. It was also brought to the attention of the Commission that Cellmed is denying, without reasonable excuse, to register new service providers on its New Health 263 direct payment system.

It is further alleged that Cellmed established its health practice in Mhondoro Ngezi, where members get medical attention without paying any shortfall and that to stifle competition, CellMed introduced tariff reductions for external service providers.

The Commission has preliminary concerns that the allegations may result in members' choice of health service providers being limited to only a few preferred providers thereby stifling competition amongst the players and creating barriers to entry and expansion in the relevant market.

It should be noted that the commencement of the Commission investigation neither pre-supposes that the allegations being investigated are anti-competitive nor that Cellmed has violated the provisions of the Act. The Commission will, as provided in section 28 of the Act, conduct an investigation to determine whether the alleged practices directly or indirectly restrict competition.

In this regard, all interested stakeholders are requested to submit written representations to the Commission stating how they have been affected by the issues under investigation, not later than 14 days from the date of publication of this notice.

Emails may be sent to director@competition.co.zw and hard copies to—

The Director,
Competition and Tariff Commission,
No. 23, Broadlands,
Emerald Hill,
Harare.

Any further enquires or clarification on any aspect of the Commission's investigation may be directed to Ms O. S. Maheya, Tel: (+263) 7778909441 (+263) 853127-321 or e-mail: osithole@competition.co.zw

NB: All representations submitted to the Commission will be treated in strict confidence and will only be used for the purpose of this investigation.

GOVERNMENT GAZETTE

Conditions of Acceptance of Copy

FAILURE to comply with any of the following conditions will result in the rejection of copy, and no responsibility can be accepted if such rejection should affect any date contained in such copy or any requirement of publication on a specific date.

Persons drafting any kind of notices are strongly advised to follow the guidance offered in—

- (a) the Instructions Relating to the Drafting and Typing of Legislation (Attorney-General's Circular 1 of 1978); and
- (b) the Manual of Style for the Drafting and Preparation of copy published by Printflow (Private) Limited;

which two booklets are intended for complementary use.

In these conditions, other than where a particular kind of copy is specified, "copy" means copy for all matter contained in the Gazette itself and for subsidiary legislation issued as supplements to the Gazette.

1. (1) Other than by prior arrangements, only original typing is accepted.

(2) Carbon-copies are not normally acceptable, other than in cases where the original typing has to be legally retained, elsewhere, as, for example, in the case of a proclamation.

(3) Computer print-outs are not accepted automatically, as discussion may be necessary with regard to the extra time and costs involved.

2. (1) All copy must be clear and legible, and there must be double or one and a half spacing between the lines.

(2) Any corrections or alterations made by the originator, must be clearly effected in blue or black ink, using editorial marks—not proof-reader's marks:

Provided that any copy containing extensive alterations will be rejected.

3. (1) Copy must appear on one side only of each sheet of paper.

(2) Except as is provided in subsection (2) of section 8, paper must not exceed 210 millimetres in width.

(3) If copy comprises two or more sheets of paper, all sheets must be numbered consecutively, in arabic figures, preferably in the top right-hand corner.

(4) Where any matter is added after the copy has been prepared, and such additional matter results in one or more sheets being inserted between those already numbered, all sheets must be renumbered from there onwards—not, for instance 7, 7b, 8, *et cetera*.

4. Photographic copy or copy produced on a duplicating machine may be accepted if it is abundantly clear.

5. (1) Should any copy—

- (a) exceed 10 pages of double-spaced typing on size A4 paper; or
- (b) contain tabular or other matter which involves complicated setting; it will be classed as “lengthy” copy, and will be required to be submitted not less than 21 days before the date of closing for the *Gazette* in which it is to be published.

(2) Lengthy copy may be accepted at less than 21 days’ notice if—

- (a) the work involved is of a straight forward and non-tabular nature; and
- (b) the total volume of work on hand for the time being permits its acceptance.

6. Notwithstanding anything to the contrary contained in these conditions, any copy—

- (a) which is of national importance, and which is originated as a matter of urgent necessity, may, by prior arrangement, be accepted late for the current week;
- (b) may, due to shortage of staff or to technical considerations, be delayed until conditions permit its processing.

7. Copy must not be submitted as part of a letter or a requisition. It must appear on a separate sheet of paper, on which there is no instruction or other extraneous matter.

8. (1) In cases where notices have to be published in tabular form, copy must be drafted exactly as it is to appear. If printed forms for any such notices are unavailable, advertisers must prepare their own forms. While it is not necessary to include the preamble, the box-headings must be there, and, where applicable, the number of the form; for example, “Insolvency Regulations—Form 3”.

(2) In the case of copy for tabular notices, the provision of subsection (2) of section 3 does not apply.

9. Copy for all advertisements, whether sent by post or delivered by hand, must be accompanied by a requisition or a letter which clearly sets out—

- (a) the name and address of the advertiser; and
- (b) the debtor’s code number, if any; and
- (c) the required date or dates of publication.

10. If a typographical error occurs in the *Gazette*, it is rectified as soon as possible by a correcting notice without charge to the ministry or department concerned, subject to the following conditions—

- (a) that such error is reported to the editor within three months from the date of publication; and
- (b) that the relevant copy, upon re-examination, is proved to be abundantly clear; and
- (c) that the correction of such error is legally necessary.

(2) If a drafting error is not detected before publication, the originating ministry or department is required to draft its own correcting notice, take it to the Attorney-General for vetting and pay for such notice to be published.

(3) For the removal of doubt—

- (a) a typographical error is made by a typographer;
- (b) a typist’s error is classed as a drafting error by reason of the fact that the officer responsible for drafting failed to check the typist’s work.

GOVERNMENT GAZETTE

Submission of Copy for Government *Gazette* Statutory Instruments and Notices

IT is hereby notified, for general information, that it is necessary to draw attention to the “Conditions for Acceptance of Copy”, which appears in every issue of the *Gazette*; and particularly the need to submit lengthy copy, in the case of Statutory Instruments, at least 21 days before the date of closing for the *Gazette* in which the notice is to be published.

During the past few months or so there have been many cases where urgent copy for subsidiary legislation, which requires the signature of the President or a minister to give it effect, and which is of national importance, has been sent in for publication in the *Gazette* after closing-time. Whilst I acknowledge that it is the duty of Printflow (Private) Limited to give certain notices special treatment, I am, however, of the view that a *Gazette* Extraordinary has tended to be a must rather than a matter of priority in respect of

unwarranted delays of urgent copy.

While every effort will continue to be made to publish Extraordinaries on the required dates, copy must be submitted timeously so that it can be programmed into the printing-work-flow as soon as it is available.

H. MATINGWINA,
Gazette Editor.
